**Country Life** ,1911 **Ely: Too Black, Too White** Ely Green,1970 Ely Green was born in Sewanee Tennessee in 1893 His father was a member of the white gentry the son of a former Confederate officer His mother was a housemaid the daughter of a former slave In this small Episcopal community home to the University of the South Ely lived his early childhood oblivious to the implications of his illegitimacy and his parentage He was nearly nine years old before he realized that being different from his white playmates was of any real significance An incident at a local drugstore marked the beginning of what would be a painful rite of passage from an idyllic childhood through a tormented adolescence as Ely struggled to understand why he could not wholly belong to either his father s world or his mother s I was having a struggle within he writes learning to hate white people after I had been taught that they were all God s children and we are to love everybody At age eighteen still warring to reconcile one part of himself with the other he fled the mountains of Tennessee and a brewing lynch mob for the plains of Texas and a new beginning Straightforwardly recounting his early life rising above bitterness and pain Ely Green gives his readers an astoundingly honest and poignant portrait of a young man trying to come to terms with race relations in the early twentieth century South Verses for Grannie, illustr. by D. Drew Samuel

Middleton Fox,1899 **Good Ted, Bad Ted** Lester David,1993 Good Ted a devoted father to his own sons and guardian to his brothers thirteen children an able legislator who has been described by colleagues as the best senator of his generation Bad Ted the world s oldest teenager As his political star ascended he was exposed as a relentless womanizer and drinker with no regard for public opinion Good Ted Bad Ted puts this paradoxical Kennedy in perspective and answers the question How can the two Teds coexist in the same individual Filled with startling new information this book reveals John Hinckley the man who shot President Reagan initially chose Senator Kennedy as his target He waited in Kennedy s office reception room for three hours with a loaded 22 caliber Saturday Night Special in his pocket Had the Senator not been late he would surely

have been the third Kennedy to be assassinated Nixon was so terrified of facing Kennedy in the 1972 presidential election that he had his two top aides John Ehrlichman and H R Haldeman set up a team to ferret out any information they could get on Ted This pre Watergate plot was financed by 100 000 from CREEP the Committee to Re Elect the President Even Secretary of State Henry Kissinger rushed to Nixon with a hot rumor that proved wrong Only three years after Chappaquiddick Ted was a strong contender for the Democratic nomination for President leading in the polls by a wide margin and placing fourth in the Gallop Poll as the most admired American Readers will now know the real reason why he was not nominated It was not because of Chappaquiddick Ted s attempt to dissuade Aristotle Onassis from marrying Jackie Kennedy fearing that the marriage would harm the Kennedy clan Ted was roaring drunk at the White House and so were many New Frontiersmen the evening after JFK was buried A year by year rundown of Ted s women starting in 1969 and continuing to 1991 The Kennedy money is drying up Once one of America s great fortunes larger than the Rockefellers it is dwindling fast Now it barely qualifies for Forbes magazine s Four Hundred If nothing is done to augment the principal the fortune will be tapped out soon after the turn of the century Ted s marriage in 1992 to Victoria Reggie and the very positive influence she has had on his life both personal and political BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Journal of Youth Services in Libraries ,1995 *Die amerikanische Kurzgeschichte nach 1945* Peter Freese,1974 Europäische Hochschulschriften : Reihe XIV: Angelsächsische Sprache und Literatur ,1969
