## **Popular Images Of The Presidency From Washington To Lincoln:**

**United States Senate Catalogue of Fine Art** Jane R. McGoldrick, 2005-08 The U S Capitol abounds in magnificent art that rivals its exterior architectural splendor The fine art held by the U S Senate comprises much of this treasured heritage It spans over 200 years of history contains works by such celebrated artists as Augustus Saint Gaudens Hiram Powers Daniel Chester French Charles Willson Peale Gilbert Stuart Walker Hancock Alexander Calder This volume provides previously unpublished information on the 160 paintings sculptures in the U S Senate Each work of art from portraiture of prominent senators to scenes depicting significant events in U S history is illus with a full page color photo accompanied by an essay secondary images that place the work in historical aesthetic context **Portraits of the Presidents** Frederick Voss, 2007 The publication was originally produced in conjunction with the traveling exhibition Portraits of the Presidents organized by the National Portrait Gallery Title page verso **The Journal of Mississippi History**, 2008 Includes section Book reviews

**Remembering War the American Way** G. Kurt Piehler, 2014-10-28 Wars do not fully end when the shooting stops As G Kurt Piehler reveals in this book after every conflict from the Revolution to the Persian Gulf War Americans have argued about how and for what deeds and heroes wars should be remembered Drawing on sources ranging from government documents to Embalmers s Monthly Piehler recounts efforts to commemorate wars by erecting monuments designating holidays forming veterans organizations and establishing national cemeteries The federal government he contends initially sidestepped funding for memorials thereby leaving the determination of how and whom to honor in the hands of those with ready money and those who responded to them In one instance monuments to Yankee heroes erected by the Daughters of the American Revolution were countered by immigrant groups who added such figures as Casimir Pulaski and Thaddeus Kosciusko to the record of the war Piehler argues that the conflict between these groups is emblematic of the ongoing reinterpretation of wars by majority and minority groups and by successive generations Demonstrating that the battles over the Vietnam Veterans Memorial are not unique in American history Remembering War the American Way reveals that the memory of war is intrinsically bound to the pluralistic definition of national identity **Lincoln's America** Joseph R. Fornieri, Sara Vaughn Gabbard, 2008-11-07 To fully understand and appreciate Abraham Lincoln s legacy it is important to examine the society that influenced the life character and leadership of the man who would become the Great Emancipator Editors Joseph R Fornieri and Sara Vaughn Gabbard have done just that in Lincoln s America 1809 1865 a collection of original essays by ten eminent historians that place Lincoln within his nineteenth century cultural context Among the topics explored in Lincoln s America are religion education middle class family life the antislavery movement politics and law Of particular interest are the transition of American intellectual and philosophical thought from the Enlightenment to Romanticism and the influence of this evolution on Lincoln s own ideas By examining aspects of Lincoln s life his personal piety in comparison with the beliefs of his contemporaries his success in self schooling when frontier youths had limited

opportunities for a formal education his marriage and home life in Springfield and his legal career in light of broader cultural contexts such as the development of democracy the growth of visual arts the question of slaves as property and French visitor Alexis de Tocqueville's observations on America the contributors delve into the mythical Lincoln of folklore and discover a developing political mind and a changing nation As Lincoln's America shows the sociopolitical culture of nineteenth century America was instrumental in shaping Lincoln's character and leadership The essays in this volume paint a vivid picture of a young nation and its sixteenth president arguably its greatest leader

**Popular Images of the Presidency** Noble E. Cunningham, 1991

**American Government and Politics** Robert Singh, 2002-11-14 American Government and Politics is a completely new introductory textbook designed and written for all students of politics coming to the subject for the first time It provides a lively and accessible introduction and guide to all the main features and characteristics of one of the most distinctive and complex contemporary political systems in the world From the impeachment of Bill Clinton to the controversy surrounding the 2000 presidential election and the Bush administration's responses to September 11 students will gain a balanced and critical understanding of all the key issues and debates in contemporary American government and politics today A number of key underlying themes include the nature of American values and identity the influence of the constitution on political development the ways in which key governing institutions function to produce domestic and foreign policy Key features include comprehensive glossary of key terms discussion and summary boxes web links and guides to further reading Robert Singh is a lecturer in politics at Birkbeck College London

**American Government and Politics A Concise Introduction** is the foundation companion text to Contemporary American Politics Issues and Controversies also published by SAGE Rob Singh has written a finely organized and informative textbook that combines to an unusually high degree analytical clarity accessibility of style and form and an enlightened scepticism about received wisdom This is an admirable book Nigel Bowles St Anne's College Oxford Full of topical information and written with sparkling clarity this book is a short cut to excellence for the discriminating student Rhodri Jeffreys Jones Professor of American History University of Edinburgh In American Government and Politics Robert Singh provides an excellent introduction to the subject His approach is wide ranging his examples well selected and his style is accessible It will make an ideal book for introductory and more advanced university courses on US government I strongly recommend the book to teachers and students Desmond King Mellon Professor of American Government University of Oxford This is a well written and lively book that is an important addition to the ranks of textbooks on American politics One of its many virtues is its recognition that the textbook today is useful to a student only if it links to the world of web based resources Highly recommended Alan Ware Worcester College Oxford

**Art as Image** Alice M. Cornell, 2001 Illustrates the spectacular technological and artistic developments in the nineteenth century printing trade from the earliest days of the Old Northwest Territory

**The Eclectic Magazine of Foreign Literature, Science, and Art**, 1885

**Marsden Hartley** Donna

Cassidy,2005 A provocative new reading of the great American avant garde artist Marsden Hartley's late work     **The Saturday Review of Politics, Literature, Science and Art** ,1860     **Popular Educator** ,1926     *Bell's Standard Elocutionist* David Charles Bell,Alexander Melville Bell,1892     The Art Journal ,1875     Encyclopedia of the Harlem Renaissance Aberjhani,Sandra L. West,2003 Presents articles on the period known as the Harlem Renaissance during which African American artists poets writers thinkers and musicians flourished in Harlem New York     Keeping the Republic Christine Barbour,Gerald C. Wright,2025-03-04 Keeping the Republic draws students into the study of American politics showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship Throughout the text and its features authors Christine Barbour and Gerald C Wright reveal how to effectively apply critical thinking skills to the political information encountered every day With students living through one of the most challenging periods in American life the Twelfth Edition is a much needed resource to help them make sense of politics in America today and become savvy consumers of political information     *Unity* ,1884     **Library of Congress Information Bulletin** ,2009     **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1918     New York Times Saturday Review of Books and Art ,1969
