**Untersuchungen zu pWestcar** Verena M. Lepper, 2008 Mit diesen Untersuchungen wird die Neubearbeitung eines der zentralen Texte der Agyptischen Literaturgeschichte vorgelegt Die Editio Princeps von pWestcar durch Adolf Erman datiert in das Jahr 1890 und umso erstaunlicher ist es dass es in den vergangenen mehr als 100 Jahren keine neue umfassende Studie zu diesem Text gegeben hat Nach einer Einleitung der Transkription und Übersetzung des Textes einer philologisch paläographischen Analyse die sich den vielen sprachlichen Problemfeldern des Textes widmet folgt eine literaturwissenschaftliche Analyse wobei hier dezidiert Methoden aus anderen Disziplinen aufgegriffen und verwendet werden Sowohl die Struktur als auch die verwendete Sprache des Textes stehen hier im Vordergrund Eine zusammenführende Gesamtbetrachtung sucht schliesslich Antworten auf die Fragen nach Komposition und Funktion en des Textes

*Charles Olson's Reading* Ralph Maud, 1996 In this narrative account of the life and work of Charles Olson Ralph Maud focuses on what the poet read as a basis for understanding the work he produced To an extraordinary degree Olson s reading and life were coextensive according to Maud who notes that Olson saw his written output over his lifetime as a total cosmology An individual who rarely traveled this major American poet explored the world and its history as well as the furthest reaches of the thought of his day through books Maud builds upon George Butterick s annotated listing of Olson s library bought by the University of Connecticut after the poet s death in 1970 The present volume however adds categories of books Butterick deliberately omitted Olson s childhood books and poetry by his own contemporaries Linking Olson s books to his intellectual and poetic development at each stage of his career Maud reveals such little known but important connections as the contracted book project Operation Red White and Black and Olson s plan for the long poem West two unrealized projects much later shaped into The Maximus Poems Maud also outlines the surprisingly multiple role of the painter Corrado Cagli who brought home to Olson the significance of the Holocaust and introduced him both to the Tarot and to the theories of non Euclidean geometry that Olson variously incorporated into his poems and essays In discussing Olson s relationship to Ezra Pound Maud defines in some detail what Olson gained from Pound and what he repudiated Maud refutes the notion that Olson s intellectual and creative powers declined during the last years of his life demonstrating that during these years Olson developed his Jungian interest his attention to early Greek thought and a new concern for Northern mythology This chronicle of Olson s reading from childhood to deathbed constitutes a critical biography of the larger than life author of Call Me Ishmael and The Maximus Poems No modern poet is more revealed in his sources than Olson Maud s comprehensive and complete study provides a basis for new and fresh modes of thinking about Olson s great achievement

Penzer,2016-05-06 First published in 2004 These four classic masterpieces in esoteric research by the noted orientalist M Penzer explore customs and traditions from other cultures and periods of history which for all their apparent strangeness mask fundamental subjects of continuing interest The first concerns the motif of the poison damsel the beauty who dealt death in many forms to her admirers which originated in India was prevalent in medieval Europe and persists today in the belief of the femme fatale The volume includes a study in the ancient Tale of the Two Thieves an essay on sacred prostitution in India the ancient East and West Africa and an exhaustive treatment of the custom of chewing the betel or areca nut which is widespread in the far East from India through Indonesia to New Guinea A natural stimulant and narcotic whose effects are similar to that of tobacco betel is of growing interest to the medical world and has as the author shows here a rich legacy of customs and belief

The Lost Realms (Book IV) Zecharia Sitchin,1990-09-01 The Earth Chronicles series is based on the premise that mythology is not fanciful but the repository of ancient memories that the Bible ought to be read literally as a historic scientific document and that ancient civilizations older and greater than assumed were the product of knowledge brought to Earth by the Anunnaki Those Who from Heaven to Earth Came The 12th Planet the first book of the series presents ancient evidence for the existence of an additional planet in the Solar System the home planet of the Anunnaki In confirmation of this evidence recent data from unmanned spacecraft has led astronomers to actively search for what is being called Planet X The subsequent volume The Stairway to Heaven traces man's unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids which had served as landing beacons for it refuting the notion that these pyramids were built by human pharaohs Recently records by an eye witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book's conclusions The Wars of Gods and Men recounting events closer to our times concludes that the Sinai spaceport was destroyed 4 000 years ago with nuclear weapons Photographs of Earth from space clearly show evidence of such an explosion Such gratifying corroboration of audacious conclusions has been even swifter for The Lost Realms In the relatively short interval between the completion of the manuscript and its publication archaeologists linguists and other scientists have offered a coastal theory in lieu of the frozen trekking one to account for man's arrival in the Americas in ships as this volume has concluded These experts have suddenly discovered 2 000 years of missing civilization in the words of a Yale University scholar confirming this book's conclusion and are now linking the beginnings of such civilizations to those of the Old World as Sumerian texts and biblical verses For the first time the entire Earth Chronicles series is now available in a hardcover collector's edition
