Pornography Embodied From Speech To Sexual Practice Feminist Constructions:

Pornography Embodied Joan Mason-Grant, 2004 What does it mean to conceptualize pornography as a material practice rather than as speech Mason Grant argues that this idea fundamental to the work of Andrea Dworkin and Catharine MacKinnon has been obscured in legal wrangling and political polarization over their civil ordinance Within the arena of legal argument where the principle of free speech holds sway for progressive thinkers their analysis of pornography is rendered at worse an apology for censorship and at best an argument about the social force of speech rather than recognized as a fundamental challenge to the very idea of pornography as speech In this book Mason Grant first shows how the persistent speech paradigm inevitably obscures the innovative core of the Dworkin MacKinnon critique of mainstream pornography She then develops an alternative practice paradigm that critically engages their analysis capturing and extending its core insights about the role of pornography in sexual practice Drawing on phenomenology of the lived body this alternative paradigm provides a way of re thinking how the pervasive use of mass market heterosexual pornography contributes to the cultivation of an embodied and tacit sexual know how that is subordinating and raises important questions about alternative materials produced and used by sexual minorities In her conclusion Mason Grant considers the implications of her analysis not for law but for a critical pedagogy in youth sexuality education

Varieties of Feminist Liberalism Amy R. Baehr, 2004-04-05 Over the past thirty years western political philosophy has been enriched by a renewed interest in liberalism and by the development of feminism Although liberalism is one of the important historical roots of feminism many contemporary feminist political philosophers reject liberal political theory Indeed that liberalism and feminism are incompatible has been the dominant view among feminist scholars over the past 30 years Varieties of Feminist Liberalism is a groundbreaking collection that examines the relationship between these two rich normative traditions The essays in this volume present versions of feminism that are explicitly liberal or versions of liberalism that are explicitly feminist By bringing together some of the most respected and well known scholars in mainstream political philosophy today Amy R Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible This long overdue volume is the first to bring together papers by feminist liberals and to aim explicitly at reconciling feminism and liberalism

Being Yourself Diana Tietjens Meyers, 2004-02-23 Being yourself living a life that is truly your own that expresses your unique personality and your distinctive values Many people want to live such a life Being Yourself asks what it takes to do so It examines questions about the self the individual who acts together with questions about self expression the relations between the self and action It explains self knowledge and self direction in terms of a repertory of skills that gives people insight into who they are who they want to be and how they want to engage with the world Unlike other accounts of self and action Being Yourself takes into account the multidimensionality of the self embodiment interpersonal ties nonconscious desires and enculturation as well as rationality It accents the ways in which atypical emotional responses empathy and oppositional imagery can

contribute to moral understanding It argues that repressive regimes cannot completely crush people's determination to live lives of their own but it shows why it is vital to seek social changes that dismantle obstacles to this kind of life *Feminist Interventions in Ethics and Politics* Jean Keller, Barbara S. Andrew, Lisa H. Schwartzman, 2005-03-22 This collection breaks new ground in four key areas of feminist social thought the sex gender debates challenges to liberalism equality feminist ethics and feminist perspectives on global ethics and politics in the 21st century Altogether the essays provide an innovative look at feminist philosophy while making substantive contributions to current debates in gender theory ethics and political thought **Moral Psychology** Margaret Urban Walker, Peggy DesAutels, 2004-07-29 Moral psychology studies the features of cognition judgement perception and emotion that make human beings capable of moral action Perspectives from feminist and race theory immensely enrich moral psychology Writers who take these perspectives ask questions about mind feeling and action in contexts of social difference and unequal power and opportunity These essays by a distinguished international cast of philosophers explore moral psychology as it connects to social life scientific studies and literature *Telling Our Lives* Frida Kerner Furman, Linda Williamson Nelson, Elizabeth A. Kelly, 2005-06-22 *Telling Our Lives* explores how three working class women from Jewish African American and Irish American backgrounds connect across their differences through storytelling and conversation Three distinct voices intertwine in this book as the authors now college professors discuss family legacies of diaspora and dislocation analyzing how these have shaped their personal and professional lives Social class ethnicity gender sexuality and spirituality intersect and diverge in these pages as the authors reflect on how they have been enriched and transformed by the relationships forged in the process of storytelling **American Book Publishing Record**, 2003 *Sociological Abstracts* Leo P. Chall, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **New Insights Into Gendered Discursive Practices** Antonia Sánchez Macarro, Ana Belén Cabrejas Peñuelas, 2014 **Feminist Writers** Pamela L.
