**Portrait of Rossetti** Rosalie Glynn Grylls, 1964 One of the most unconventional and controversial figures among the great Victorians Dante Gabriel Rossetti poet and painter was a complex personality who has long awaited reassessment by a sympathetic biographer Rosalie Glynn Grylls Lady Mander has confirmed here again the reputation as a talented biographer achieved by her Mary Shelley still after more than twenty years the standard work on its subject This new biography of Rossetti embodies the important letters between Rossetti and Mrs Morris from the British Museum until now unavailable and much other hitherto unpublished material discovered in England and America in the course of Lady Mander's research for this book Included are several hitherto unknown illustrations of considerable interest

**Rossetti** Marya Zaturenska, 1949 **The Modern Portrait Poem** Frances Dickey, 2012-06-29 In *The Modern Portrait Poem* Frances Dickey recovers the portrait as a poetic genre from the 1860s through the 1920s Combining literary and art history she examines the ways Dante Gabriel Rossetti Algernon Swinburne and J M Whistler transformed the genre of portraiture in both painting and poetry She then shows how their new ways of looking at and thinking about the portrait subject migrated across the Atlantic to influence Ezra Pound T S Eliot William Carlos Williams Amy Lowell E E Cummings and other poets These poets creatively exposed the Victorian portrait to new influences ranging from Manet's realism to modern dance Futurism and American avant garde art They also condensed expanded and combined the genre with other literary modes including epitaph pastoral and Bildungsroman Dickey challenges the tendency to view Modernism as a break with the past and as a transition from aural to visual orientation She argues that the Victorian poets and painters inspired the new generation of Modernists to test their vision of Aestheticism against their perception of modernity and the relationship between image and text In bridging historical periods national boundaries and disciplinary distinctions Dickey makes a case for the continuity of this genre over the Victorian Modernist divide and from Britain to the United States in a time of rapid change in the arts [Portrait of Dante Gabriel Rossetti](#) Rossetti Gallery, London, George Frederick Watts, 18?? **Dante**
