## Portraits Of Christ:

*100 Portraits of Christ* Henry Gariepy,1993-09 A biography of the person and ministry of Christ as revealed by 100 names and titles ascribed to Him in Scripture Preface      **Portraits of Christ** Gordon J. Keddie,David G. Whitla,2020-07-14      *The Portraits of Jesus Christ in the New Testament* Henry Sloane Coffin,1925      **The Five Portraits of Jesus** William Maccallum Clow,1925      *Portraits of Jesus* Robert Imperato,2020-02-04 This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four gospels and Pauline letters This new edition adds historical context to the portraits of Jesus as each document is somewhat shaped by historical factors This work presumes neither religious faith nor lack of faith its aim is to inform and to stimulate some fundamental questions as well as to give the readers portraits as synthetic balance to the vital work of analysis      **Jesus Our Lord** John Phillips,2007      **Four Portraits, One Jesus** Mark L. Strauss,2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential Four Portraits One Jesus is a thorough yet accessible introduction to these documents and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels      Portraits of Jesus the Christ Morris Dubidat,2019-10-22 The temple was erected to portray God s glory majesty and grace which was to be revealed in his son Jesus That I may dwell among them was a revelation of his plan for the future Emanuel God with us There was nothing on earth like the tabernacle and there was no greater experience to have than the presence of the Almighty God both in sensing his presence and seeing the Shekinah light of his glory in the most holy place This tabernacle was a revelation of his eternal plan for man s redemption through Jesus his son After we have settled the sin question at the altar of sacrifice and then have ourselves washed from the defilement of sin at the laver we are then ready to enter the holy place of fellowship with the saints and to behold the glory beauty and grace of God In this Old Testament tabernacle the veil restricted the entrance to the most holy place and hence the presence of the Almighty But now in this dispensation of grace the veil was ripped open on purpose by God Since Jesus went into the heavenly tabernacle with his own blood access is no more denied to those of us who have accepted him as our sacrificial lamb we can come boldly to the throne of grace where he is seated on the right

hand of God his father in heaven With humbleness of spirit and a heart of gratitude we join in the songs of the redeemed in praise and adoration to him who have redeemed us with his own blood With such experience in Jesus who was portrayed in the tabernacle we can wholeheartedly agree with David in Psalm 27 4 This one thing is our greatest desire to dwell in his presence

What does Christ look like to you The origin of this pictorial of Jesus Christ started with a poem about walking with Christ which you can read in the Introduction of the book The poem does not describe what Christ looked like but I did have an image in my mind's eye of Jesus when writing it I began to wonder what other people like yourself imagined what Christ's appearance was like when they thought of Him Of course we have no photographs or drawings or art that shows us what His face and body resembled But many artists of the past have done their best to represent Him I began to seek out images of Christ by the classic artist of the past and eventually put together this book Each painting presented in this book reflects the societies and times in which they were painted The models used for these paintings and drawings were patrons or people the artists knew Yet what I looked for in each selected artwork went beyond the quality of the painting themselves and the looks of the models I sought out those who captured the spiritual qualities of Christ Spiritual qualities may be subjective but I hope you will find them in this book of pictures as I have Some of the artists in this book may be familiar to you Most I suspect will not be unless you are an art historian Still the images in this pictorial have gone through the test of time which is a testament to the talents of the artists The artists included in this pictorial book are Ernst Deger Pieter Coecke van Aelst Sir Edward Coley Burne Jones Guido Reni Julius Frank Adriaen Isenbrandt Albrecht Dürer Jean Baptiste Camille Corot James Fuller Queen Ivan Kramskoy Titian Ludwig Ferdinand Schnorr von Carolsfeld Nicholas Roerich Julius Sergius Von Klever Cornelis Engebrechtsz Peter Paul Rubens Giovanni Girolamo Muziano Andrea Vaccaro Emile Bernard Jan Brueghel the Elder Follower of Ludolf Backhuysen Albert Maignan Maerten De Vos Ambrosius Francken I Heinrich Hofmann Wilhelm Marstrand James Tissot William Adolphe Bouguereau Edouard Manet Gustave Doré Hieronymus Bosch Odilon Redon Caravaggio Master of Saint Sang Giampietrino El Greco Albert Edelfelt Flemish School Genoese School School of Rogier van der Weyden Juan Rodriguez Juarez Francesco Solimena Alexander A Ivanov Franciszek Smuglewicz William Blake Emmanuel Tzanes Netherlandish School Carl Bloch Anonymous Rembrandt and Bartolome Esteban Murillo

Face to Face Robin Margaret Jensen, Examining how God and eventually Christ are portrayed in early Christian art Jensen explores questions of the relationship between art and theology conflicts over idolatry and iconography and how the Christological controversies affected the portrayals of Christ Since much of this art comes from ancient Rome she places her analysis in the context of the history of Roman portraiture One hundred photographs enhance the discussion

Portraits of Jesus Christ Benedict Prayer Books, 2019-08-02 This book contains over 80 paintings of Jesus Christ for the purposes of enjoying and meditating Painting has always been associated with the life of the Church From the time of the Catacombs it

has been used in ecclesiastical ornamentation and for centuries after Constantine religious art was the only form of living art in the Christian world Its fecundity has been wonderful and even now although much diminished is still important Until the Renaissance the Church exercised a veritable monopoly over this sphere Profane painting in Europe dates only from the last five centuries and it took the lead only in the nineteenth century It may therefore be said that throughout the Christian Era the history of painting has been that of religious painting     *Portraits of Christ* George C. Patrick Ramsey,2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person
