Customer Service for Hospitality and Tourism Simon Hudson,Louise Hudson,2012-11-02 Customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase value for money and are less forgiving of mediocre service However despite its importance quality customer service is the exception rather than the norm in many parts of the world Customer

Service for Hospitality and Tourism is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice. In essence it is the whys and hows of customer service. It is easy to read, very current and full of references to all the latest research from both academic and practitioner literature. Chapters cover important topics such as the financial and behavioural consequences of customer service, consumer trends influencing service, developing and maintaining a service culture, managing service encounters, the importance of market research, building and maintaining customer relationships, providing customer service through the servicescape, the impact of technology on customer service, the importance of service recovery and promoting customer service internally and externally. Key features include: An At Your Service Spotlight at the beginning of each chapter focuses on the achievements of successful individuals related to the art of customer service. Each chapter contains a Service Snapshot, short real life cases to illustrate a particular concept or theoretical principle presented in the chapter. Detailed international Case Studies which cover a variety of sectors, organizations and regions designed to foster critical thinking. The cases illustrate actual business scenarios that stress several concepts found in the chapter. They analyze customer service in the U.S., South America, South Africa, Europe, Russia, Australia, China, Canada, Korea and Dubai.

The New Language of Marketing 2.0 Sandy Carter, 2008-10-31. Marketing has entered a new era of rapid advance. Those unwilling to experiment with new combinations of traditional and internet marketing will be left behind. Chris Trimble, Adjunct Associate Professor of Business Administration, Tuck School of Business at Dartmouth and Coauthor, *Ten Rules for Strategic Innovators: From Idea to Execution*. It's no secret that business has been changing dramatically over the last decade. To succeed in this rapidly changing environment, businesses must adapt their marketing strategies accordingly. *The New Language of Marketing 2.0* provides practical, proven and prescient tools to do exactly that. Dr. Steve Moxey, Research Fellow, High Tech Marketing, Manchester Business School. Most U.S. marketers mistakenly think going global is just a matter of translating your promotional materials into different languages and widening your media buys. Packed with real life examples, this new book amply demonstrates that successful global marketing is actually all about local marketing. Learn how to give a local spin within each regional marketplace for global success. Anne Holland, Founder, MarketingSherpa, Inc. Use ANGELS and Web 2.0 Marketing to Drive Powerful, Quantifiable Results. For every marketer, strategist, executive and entrepreneur. Today marketers have an array of radically new Web 2.0 based techniques at their disposal: viral marketing, social networking, virtual worlds, widgets, Web communities, blogs, podcasts and next generation search to name just a few. Now leading IBM marketing innovator Sandy Carter introduces ANGELS, a start to finish framework for choosing the right Web 2.0 marketing tools and using them to maximize revenue and profitability. Carter demonstrates winning Web 2.0 marketing at work through 54 brand new case studies, organizations ranging from Staples to Harley Davidson, Coca Cola to Mentos, Nortel to IBM itself. You'll discover powerful new ways to market brands and products in both B2B and B2C markets, integrate Web 2.0
