Personal Financial Planning for Executives and Entrepreneurs Michael J. Nathanson, Jeffrey T. Craig, Jennifer A. Geoghegan, Nadine Gordon Lee, Michael A. Haber, Seth P. Hieken, Matthew C. Ilteris, D. Scott McDonald, Joseph A. Salvati, Stephen R. Stelljes, 2018-11-12 Effective financial planning for executives and entrepreneurs is complex dense and impossible to reduce to a single easy to understand formula Designed to emphasize the importance of effective targeted financial planning this book begins by telling a story about a fictional but plausible power couple and their family who spoiler alert do pretty much everything wrong in securing their financial future In most cases they don't do the things needed because they don't know what they are Using this story as a case study of executives and entrepreneurs the book breaks down the case into chapters and offers practical discussions of all the key financial planning pillars investment planning tax planning estate planning philanthropic planning risk management and equity based compensation to name a few with the tools needed to tailor a plan for virtually every circumstance and need While there is no single plan that works for everybody this book will provide a guide with complicated technical information alongside specific guidance on how to build an effective financial plan

The Handbook of Personal Wealth Management Jonathan Reuvid, 2006 This important guide now fully updated for a second edition and once again endorsed by the Institute of Directors has been written for high earners and wealthy individuals who are looking to maximise returns on their capital and protect their accumulated wealth It offers authoritative and jargon free advice to how to structure personal and business related finances as well as providing an accessible overview of current financial products It includes details on strategies for sound wealth management as well as offering a full examination of the available securities and financial products including alternative investments and self managed investments It also reviews the more proactive alternatives of starting a business or becoming a business angel

Essentials of Personal Financial Planning Susan M. Tillery, Thomas N. Tillery, 2018-09-21 ESSENTIALS OF PERSONAL FINANCIAL PLANNING Essentials of Personal Financial Planning was written to challenge the status quo by promoting personal financial planning PFP as a profession not as a sales tool to gather assets under management or facilitate sales of insurance products The book takes a comprehensive and integrated approach to PFP for accounting students allowing them to view the profession through the lens of a CPA with integrity and objectivity This book systematically introduces the essentials of all the major PFP topics estate retirement investments insurance and tax as well as The PFP process concepts and regulatory environment Professional responsibilities of a CPA personal financial planner and the requirements of the Statement on Standards in PFP Services Time value of money concepts The book then builds on these foundational concepts showing their interconnectivity and professional opportunities to provide a deeper understanding of PFP and its application After reading this book students will be able to apply the knowledge and skills gained from this course to have an immediate and long term positive impact for themselves and for the clients they serve
