Verzeichniss der aus der neu erschienenen Litteratur von der Königlichen Bibliothek zu Berlin und den Preussischen Universitäts-Bibliotheken erworbenen Druckschriften, 1893 **Verzeichnis der aus der neu erschienenen Literatur von der Königlichen Bibliothek zu Berlin und den preussischen Universitätsbibliotheken erworbenen neueren Druckschriften** Königliche Bibliothek (Berlin), 1893 **Verzeichnis der aus der neu erschienenen Literatur von der Königlichen Bibliothek zu Berlin und den preußischen Universitätsbibliotheken erworbenen neueren Druckschriften**, 1893 American History Told by Contemporaries Albert Bushnell Hart, 2002-07 The ground covered by this volume includes many stirring events It begins with the Mexican War and the consequent renewal of the slavery contest and it leads through the exciting AFifties Then comes the Civil War which is treated in detail on the causes conditions and progress of that titanic struggle the participants both civil and military speak with directness and cogency The troubled and confused Reconstruction period is illustrated by extracts which bring out the main events and scenes there is no attempt to restate the wearisome debates or to bring out the details of party and personal controversy Our forefathers did interesting things and left entertaining records The story of our nation s development is clearer for the suggestions made by these writers They are prejudiced they see but a part of what is going on they leave many gaps but after all they tell the story The collection was selected and edited in 1900 by Albert Bushnell Hart Professor of History at Harvard University and a well respected and published scholar **Illustrated Catalogue of Books, Standard and Holiday** McClurg, Firm, Booksellers, Chicago, 1899 A Catalogue of a Very Complete Collection of Books and Pamphlets Relating to the American Civil War 1861-5 and Slavery Francis Perego Harper, 1898 *Catalogue of All Books in the Circulating and Reference Departments of the Public School Library, Columbus ...* Columbus (Ohio). Public School Library, 1897 *Guide to the Study of American History* Edward Channing, Albert Bushnell Hart, 1896 **Six Encounters with Lincoln** Elizabeth Brown Pryor, 2017-02-07 Winner of the Barondess Lincoln Award from The Civil War Round Table of New York Fascinating reading this book eerily reflects some of today s key issues The New York Times Book Review From an award winning historian an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U S Army officers on the eve of the Civil War A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist A tense exchange on a navy ship with a Confederate editor and businessman In this eye opening book Elizabeth Brown Pryor examines six intriguing mostly unknown encounters that Abraham Lincoln had with his constituents Taken together they reveal his character and opinions in unexpected ways illustrating his difficulties in managing a republic and creating a presidency Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself the clamorous diversity of the populace with its outspoken demands She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple

concerns that make up being a political leader how conflicted he was over the problem of emancipation and the misperceptions Lincoln and the South held about each other Pryor also provides a fascinating discussion of Lincoln's fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power Based on scrupulous research that draws on hundreds of eyewitness letters diaries and newspaper excerpts *Six Encounters with Lincoln* offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with and who had to deal with the many critics naysayers and dilemmas he faced without always knowing the right answer What it shows most clearly is that greatness was not simply laid on Lincoln's shoulders like a mantle but was won in fits and starts

Guide to the Study and Reading of American History Edward Channing, Albert Bushnell Hart, Frederick Jackson Turner, 1896 **Bibliotheca Americana** Francis Perego Harper, 1895 Bulletin of the Mercantile Library of Philadelphia Mercantile Library of Philadelphia, 1897 *Literary News*, 1893 Lincoln, Land, and Labor, 1809-60 Olivier Frayssé, 1994 In *Lincoln Land and Labor* the French scholar Olivier Frayssé traces Lincoln's problematic relationship with and ideas about the land and those who worked it revealing Lincoln as an intelligent and ambitious man who in fact turned his back on his rural roots for a time in favor of the opportunities offered in law and politics We Have the War Upon Us William J. Cooper, 2012-09-11 In this carefully researched book William J Cooper gives us a fresh perspective on the period between Abraham Lincoln's election in November 1860 and the firing on Fort Sumter in April 1861 during which all efforts to avoid or impede secession and prevent war failed Here is the story of the men whose decisions and actions during the crisis of the Union resulted in the outbreak of the Civil War Sectional compromise had been critical in the history of the country from the Constitutional Convention of 1787 through to 1860 and was a hallmark of the nation On several volatile occasions political leaders had crafted solutions to the vexing problems dividing North and South During the postelection crisis many Americans assumed that once again a political compromise would settle yet another dispute Instead in those crucial months leading up to the clash at Fort Sumter that tradition of compromise broke down and a rapid succession of events led to the great cataclysm in American history the Civil War All Americans did not view this crisis from the same perspective Strutting southern fire eaters designed to break up the Union Some Republicans crowing over their electoral triumph evinced little concern about the threatened dismemberment of the country Still others northerners and southerners antislave and proslave alike strove to find an equitable settlement that would maintain the Union whole Cooper captures the sense of contingency showing Americans in these months as not knowing where decisions would lead how events would unfold The people who populate these pages could not foresee what war if it came would mean much less predict its outcome *We Have the War Upon Us* helps us understand what the major actors said and did the Republican party the Democratic party southern secessionists southern Unionists why the pro compromise forces lost and why the American tradition of sectional compromise failed It reveals how the major actors perceived what was happening and the reasons they

gave for their actions Lincoln and Jefferson Davis Stephen A Douglas William Henry Seward John J Crittenden Charles Francis Adams John Tyler James Buchanan and a host of others William J Cooper has written a full account of the North and the South Republicans and Democrats sectional radicals and sectional conservatives that deepens our insight into what is still one of the most controversial periods in American history *Bibliography of American Imprints to 1901: Main part* ,1993 **Supplementary Catalogue of the California State Library, General Department** California State Library,1898 *The Green Bag* ,1893 Includes index 1 v **Publishers' Weekly** ,1893 **Current Opinion ...** Edward Jewitt Wheeler, Frank Crane, 1894
