Personality Strategies And Issues Psychology:

Personality Robert M. Liebert, Michael D. Spiegler, 1990 This sound scholarly book continues to organize the diverse content of personality psychology in a meaningful way taking care to present complex concepts in highly readable accessible language Using a single overarching framework the authors capture the flavor of each of four important conceptual strategies psychoanalytic dispositional behavioral and representational and four fundamental issues theory assessment research and personality change underlying contemporary personality psychology The presentation of each strategy begins with an overview chapter that describes the strategy's basic assumptions and principles as well as its respective intellectual school of thought Then after a more detailed presentation of the approaches that fall within the strategy the authors conclude with a single chapter on the strategy's practical applications and limitations Liebert & Spiegler's Personality Robert M. Liebert, 1998 New sections include meta analysis object relations feminist reactions to Freud gender family social and cultural influences and recent cognitive conceptions of the self This edition also looks at biological and cognitive approaches Liebert and Spiegler's Personality Robert M. Liebert, Lynn Langenbach Liebert, 1998-03 This thoroughly enhanced IM includes demonstration materials and commentary not found in the text as well as multiple choice true false fill in essay and matching questions and statements Personality Liebert, Michael D.
