Persons And Immortality:

A Hidden Wisdom Christina van Dyke,2022 Christina Van Dyke brings to light a rich and neglected philosophical tradition the writings of mystical and contemplative thinkers mainly women from the 13th to the 15th century She show us how much we can learn today from their ideas on self knowledge reason and its limits love persons and immortality and the afterlife

A Catholic Reading Guide to Conditional Immortality Robert Wild,2016-10-21 Like many other people the long tradition about hell has been a source of serious confusion and distress for me Over the past six years or so I was relieved to discover two other alternatives that are also part of the Christian tradition though less prominent universalism and the subject of the present book conditional immortality Universalism that everyone would eventually be saved did not in the final analysis seem to really come to grips with the overwhelming scriptural testimony that some kind of radical fateful decision is possible to people Conditional immortality that people who absolutely refuse God s plan for them will be taken out of existence seems to me the best scriptural understanding of what the Lord meant by losing one s soul not everlasting punishment but the withdrawal of existence This book is an attempt to explain this theological theory It is not presented as a definite dogma or teaching of the church but as one of the possible results of a persistent and irrevocable decision against God

A Resurrection to Immortality William Robert West,2011-04-14 Life is the most important possession we have Without it there is nothing Only by the resurrection at the second coming of Christ will anyone have life after death After the resurrection the fate of those who are in Christ 1 Eternal life Romans 6 23 2 Shall inherit eternal life Matthew 19 29 3 After the judgment they shall go away into eternal life Matthew 25 46 4 Will have eternal life John 3 5 5 Christ will raise them up on the last day John 6 40 6 Will be immortal after the resurrection 1 Corinthians 15 51 56 7 Will have incorruption 1 Corinthians 15 42 8 Will have glory 1 Corinthians 15 43 9 Will be like Christ We shall be like him for we shall see him even as he is 1 John 3 2 10 Are heirs according to the hope of eternal life Titus 3 7 11 Will have a spiritual body 1 Corinthians 15 44 12 And as we have borne the image of the earthly The earthly flesh and blood body of Adam was made to live on this earth but it cannot inherit the kingdom of God 1 Corinthians 15 50 we shall also bear the image of the heavenly Shall be like the spiritual body of Christ for life in Heaven 1 Corinthians 15 47 56 13 Will never perish John 10 28 14 Forever with the Lord 1 Thessalonians 4 17 15 Many mansions in my father s house In my Father s house Who is in Heaven Matthew 5 16 5 45 5 48 6 1 6 9 7 21 10 32 33 are many mansions I go to prepare a place for you

Immortality in Christ; or Eternal Death. Being two lectures ... in reply to the Rev. A. P. Linton, M.A., and the Rev. A. M. Symington, B.A., etc afterwards SMITH-WARLEIGH SMITH (Henry),1875

The Proof Palpable of Immortality Epes Sargent,1876 *Biolust, Brain Death, and the Battle Over Organ Transplants* William R. LaFleur,2022-11-03 William LaFleur 1936 2010 an eminent scholar of Japanese studies left behind a substantial number of influential publications as well as several unpublished works The most significant of these examines debates concerning the practice of organ transplantation in Japan and the United States and is published here for

the first time This provocative book challenges the North American medical and bioethical consensus that considers the transplantation of organs from brain dead donors as an unalloyed good It joins a growing chorus of voices that question the assumption that brain death can be equated facilely with death It provides a deep investigation of debates in Japan introducing numerous Japanese bioethicists whose work has never been treated in English It also provides a history of similar debates in the United States problematizing the commonly held view that the American public was quick and eager to accept the redefinition of death A work of intellectual and social history this book also directly engages with questions that grow ever more relevant as the technologies we develop to extend life continue to advance While the benefits of these technologies are obvious their costs are often more difficult to articulate Calling attention to the risks associated with our current biotech trajectory LaFleur stakes out a highly original position that does not fall neatly onto either side of contemporary US ideological divides

Persons and Immortality Kenneth A. Bryson, Ken Bryson, 1999 This book casts the argument for personal immortality into new light as the outcome of systems processes rather than human nature Personal immortality is the output of becoming human rather than of being human If this is the case then God must be seen to enter into personal relationships with us a view that current science supports Jacket

A Demonstration of the Extinction of Evil Persons and of Evil Things, in Answer to Mr. J.N. Darby and Others Henry Smith Warleigh (Chaplain of Parkhurst Prison, formerly Smith.), 1871

Dimensions of Mystical Experiences Ralph W. Hood Jr., 2021-10-25 [Life in Christ](#) William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it

A Chaos of Delight Geoffrey Dobson, 2016-06-16 Humans throughout history have sought ways of understanding their place within the world Religion science and myth have been at the forefront of this quest for meaning A Chaos of Delight examines how various cultures from the early Sumerians Egyptians and Greeks to contemporary Western society have looked at the same phenomena and devised totally different world views The rise of modern science is examined alongside questions of evolution and the origins of life This comprehensive volume is an essential read for students and scholars interested in the history of ideas and the role of religion science and myth in the development of Western thought
