Pratson,1978      **A Study Guide for John Kenneth Galbraith's "The Affluent Society"** Gale, Cengage Learning,2016      **Leading Contemporary Economists** Steven Pressman,2008-10 This collection of essays offers an extensive critical review of the major contributions of key figures in contemporary heterodox economics including comprehensive bibliographies of their writings and lists of vital secondary material      **The Eclipse of Keynesianism** R. Leeson,2001-04-19 This book examines the process by which Keynesianism with its sympathetic view of the role of government in the economy and society lost influence amongst economists and policy makers and was replaced by more negative views about government intervention and more positive views about the role of the market as a social organiser      **Imperial Theory and Colonial Pragmatism** David J. Gilchrist,2017-09-04 This book considers the role played by co operative agriculture as a critical economic model which in Australia helped build public capital drive economic development and impact political arrangements In the case of colonial Western Australia the story of agricultural co operation is inseparable from that of the story of Charles Harper Harper was a self starting pioneering frontiersman who became a political commercial and agricultural leader in the British Empire s most isolated colony during the second half of the Victorian era He was convinced of the successful economic future of Western Australia but also pragmatic enough to appreciate that the unique challenges facing the colony were only going to be resolved by the application of unorthodox thinking Using Harper s life as a foil this book examines Imperial economic thinking in relation to the co operative form of economic organisation the development of public capital and socialism It uses this discussion to demonstrate the transfer of socialistic ideas from the centre of the Empire to the farthest reaches of the Antipodes where they were used to provide a rhetorical crutch in support of purely pragmatic co operative establishments
