Perspectives On Social Group Work Practice:

Perspectives on Social Group Work Practice Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work. Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work. The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field. Part II Current Perspectives explores the most widely influential contemporary models of group work: social goals perspectives, remedial perspectives and mediative perspectives. The two part section that concludes the volume focuses on applications: group work is first discussed in relation to family and community casework and administration, then self help groups and other techniques used in the fields of medicine, counseling and psychology are surveyed in light of their implications for social workers. To encourage the reader's active participation in the development of an individual philosophy and approach to social group work, Dr. Alissi concludes each chapter with probing study questions. These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field. Introductions to each part and chapter also stress comparative aspects. An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth. A stimulating and systematic exposure to the most important ideas in social group work today. *Perspectives on Social Group Work Practice* Albert S. Alissi, 1977

Mutual Aid Groups, Vulnerable and Resilient Populations, and the Life Cycle Alex Gitterman, Lawrence Shulman, 2005 The authors reveal the ways in which mutual aid processes help individuals overcome social and emotional trauma in contemporary society by reducing isolation, universalizing individual problems and mitigating stigma. New chapters in this completely revised and updated third edition illustrate the power of mutual aid processes in dealing with children traumatized by the events of September 11, adult survivors of sexual abuse, parents with developmentally challenged children, people with AIDS in substance recovery and mentally ill older adults. The Mutual-Aid Approach to Working with Groups Dominique Moynihan Steinberg, 2013-05-13 This updated edition of *The Mutual Aid Approach to Working with Groups* includes four new chapters that address single session groups, short term groups, open ended groups and very large groups. This book provides a foundation for practice, examining theories, concepts and practice principles specific to mutual aid. Readers are directed to ample study resources in key areas via recommended reading lists at the end of each chapter. Case examples are used to help bridge the gap between theory and practice in an immediately useful manner and handy tables and figures make important points easy to access and understand. Information Technology, Organizations and People Jeff Watkins, 2002-09-11 This wide ranging volume presents in depth research into the effect of new information technologies on organizational structure assesses their progress towards transformation and describes the changes they are making to long established business process roles cultures and working practices The book is based upon a series of rolling surveys carried out between 1989 and the present day and funded by leading organizations such as IBM and KPMG It provides a detailed picture of a sector in transition during a period of anxiety and doubt dominated by restructuring downsizing and experimentation with re engineering As the lean and mean emerge they must now ask themselves if their competencies will enable them to survive into the next decade as competitors such as Sainsburys Virgin Microsoft and Ford position themselves to become major players in the sector This book is a major contribution to the debate on the growth of knowledge work the need for core organizational competencies in the information age and the need for evolutionary or radical change

Patterns in the Mosaic Norma C. Lang, Christine Marshall, 1983

Race and Groupwork Tara Mistry, Allan G. Brown, 1997 Groupwork literature and practice theory is largely eurocentric The issues facing black groupworkers and the groupwork needs of service users from minority communities are inadequately addressed in available material In some countries anti racist and race equality perspectives are now under attack Race and Groupwork provides a coherent overview of its subject The Editors have included innovative material by front line practitioners working with black and multiracial groups as well as articles on the theoretical and philosophical principals raised Several articles reflect on some of the inhibiting and oppressive organisational factors which can hamper this important work and suggest approaches

which might enable more facilitative policies **Group Work Practice to Advance Social Competence** Norma C. Lang, 2010 This textbook introduces social work practice with socially unskilled populations or persons who lack social competence and whose group life is likely to be chaotic or nonexistent unless professionally assisted providing guidelines for working with these socially disabled persons in group settings The author outlines the unique pre group processes of socially unskilled populations and provides a methodology for advancing social competence She also identifies the professional and agency requirements for working with pre social processes **Social Work Examination Services Comprehensive Review Notes for State Social Work License and Certification Examinations** ,2005 *Social Group Work* Gisela Konopka, 1983 **Social Work Examination Services, Inc. Perspectives On Social Group Work Practice Introduction

In the digital age, access to information has become easier than ever before. The ability to download Perspectives On Social Group Work Practice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Perspectives On Social Group Work Practice has opened up a world of possibilities. Downloading Perspectives On Social Group Work Practice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Perspectives On Social Group Work Practice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Perspectives On Social Group Work Practice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Perspectives On Social Group Work Practice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Perspectives On Social Group Work Practice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Perspectives On Social Group Work Practice has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
