White Heat Dominic Sandbrook, 2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson's famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties to unearth the contradictions of a society caught between optimism and decline

British Cinema History James Curran, Vincent Porter, 1983 *Lancashire, Where Women Die of Love* Charles Nevin, 2013-03-21 Enough For far too long Lancashire has languished under the grimy pall of smoke and muck and mills and mines enveloped in outdated condescensions smothered by the easy dismissals that put down the north of England as just up there and grim Thank you very much George Orwell Monty Python and every London cabbie But Lancashire is not up there Lancs is actually situated in the centre of the British Isles And far from being grim it is a place of wit and wonder romance

and surprise a land of exotic influence whose people have always looked outward to sophistications and influences beyond frontiers and seas Indeed French writer Honor de Balzac recognised these affinities and yearnings in the Lancashire people when he had one of his characters declare that Lancashire is the county where women die of love Mock if you like but then think about it where is the magnificent thoroughfare that inspired the boulevards of Paris Where did they go to film Brief Encounter the most romantic British film ever made Where did the young Shakespeare dream of and draw on for his inspired imaginings Join Charles Nevin Fleet Street journalist and humorist as he returns to his roots and reveals all this and more Discover the true Camelot and the beauty that is rugby league See where Lancastrians go to die but first visit Lost Lancashire and its great twin cities Manchester and Liverpool Mull over why Britain s greatest comics from Laurel to Coogan Formby to Vegas Dodd to Kay Fields to Wood Morecambe and Dawson have all come from Lancs Mere coincidence Give over and read on **An Autobiography: From congregations to audiences** David Frost,1993 This autobiography gives David Frost s account of the foundation of London Weekend TV describing interviews with Moshe Dayan Jane Fonda and Adam Clayton Powell It also sets out to illuminate some of the great questions of his time and capture the moods of England and America in the 1960s **The Whole Film Sourcebook** Leonard Maltin,1983 **The Publishers Weekly** ,1896

Encyclopedia of World Biography Gale Research Inc,1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed **The Real Peter Sellers** Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been **Ency Wld Bio 2 V14** .
