## College Rankings Guide On Sale:

*Students' Guide to Colleges* Jordan Goldman, Colleen Buyers, 2005-08-02 College guides are a must for any teenager trying to choose the right school Unfortunately most guidebooks are vague boring tomes written by administrators and journalists instead of the real experts the college students that actually go there *Students Guide to Colleges* is different Entirely student written and edited this invaluable resource cuts through the cant with comprehensive listings of the vital statistics and requirements for America's top 100 schools accompanied by three totally honest fresh fun to read descriptions penned by attending undergrads from different walks of life Want to know how big classes really are How rigorous the academics get Or how greek or granola chill or up tight homogenous or diverse gay or straight a campus really is Lively irreverent and insightful the *Students Guide to Colleges* is the only guidebook that offers multiple perspectives on each school and tells it like it is so that college applicants can make the best choice when deciding where they want to spend their college years More than 30 000 students surveyed Preface by Chuck Hughes former senior dean of admissions at Harvard University

**Neoliberalizing Diversity in Liberal Arts College Life** Bonnie Urciuoli, 2022-02-11 As neoliberalism has expanded from corporations to higher education the notion of diversity is increasingly seen as the contribution of individuals to an organization By focusing on one liberal arts college author Bonnie Urciuoli shows how schools market themselves as diverse communities to which all members contribute She explores how students of color are recruited how their lives are institutionally organized and how they provide the faces numbers and stories that represent schools as diverse In doing so she finds that unlike students routine experiences of racism or other social differences neoliberal diversity is mainly about improving schools images
