Nhl Opening Night Review:

When the NHL Invaded Japan Steve Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world

The NHL D'Arcy Jenish, 2013-10-29 The National Hockey League born in a Montreal hotel room on November 26 1917 has much to celebrate as it approaches its centenary Millions of fans from Montreal to Miami and Edmonton to Anaheim attend NHL games each year millions more watch on TV and the league pays its best players multi million annual salaries Over the course of its first century the NHL's fortunes have ebbed and flowed It has experienced setbacks and triumphs and innumerable crises The league has awarded many franchises only to see some of them falter fail and fold The board of governors which has included rich eccentrics and at least one future convict has sometimes been fractured by men who loathed each other How on earth has the NHL survived The answer lies in the remarkable fact that it has had only five presidents and one commissioner Two of these chiefs were stop gaps For the balance of league's ninety plus years four men have shaped and guided its fortunes and controlled the tough hard nosed sometimes unruly owners who constituted the board of governors This is the story of two perpetual struggles the one on the ice and the one going on behind the scenes to keep the whole enterprise afloat D Arcy Jenish was granted unprecedented access to previously unpublished league files including revelatory minutes of board meetings and conducted dozens of hours of interviews with league executives including commissioner Gary Bettman and former president John Ziegler as well as owners coaches general managers and player representatives He now reveals for the first time the true story behind some of the most significant events of the contemporary era This is a definitive revelatory chronicle that no serious hockey fan will want to be without
