Personal Peak Performance:

Organizational Transformation Amir Levy, 1986-09-05 Organizational Transformation is the first book to analyze how organizations make it through difficult periods Based on case studies drawn from a variety of industries such as mental hospitals schools manufacturing companies and the American Wildlife Society this book offers practical advice on development strategies for managers and organization consultants The book is divided into four sections the first of which describes in detail the different approaches that have been developed to transform organizations The second section describes and compares some of the basic strategies used in transforming organizations The third provides the reader with a variety of theories and research on the topic and the final section conceptualizes and integrates these theories

Transforming Work, Second Edition John D. Adams, 2005-11-01 Transforming Work was the first book to explore the concept of transformational change its principles dynamics and technologies In 1982 many organizational consultants began using the concept of transformation because they found it more descriptive of their work than the concept of development Changes in organizational life and processes had become more complex and the outcomes less certain than the traditional practice of Organizational Development could address This Second Edition of Transforming Work contains the original collection of 17 chapters from these pioneering consultants plus their updated reflections on their work at the turn of the century John D Adams Ph D is a professor speaker author consultant and seminar leader He has been at the forefront of the Organization Development and Transformation profession for over 35 years His early articulation of issues facing organizations has provided a guiding light for the evolution of organization and change management consulting Adams currently serves as the Chair of the Organizational Systems Ph D Program at the Saybrook Graduate School San Francisco and is a guest faculty member at The Bainbridge Island Graduate Institute in the MBA in Sustainability program He also served as editor for two seminal works Transforming Work and Transforming Leadership both widely held as defining a new role for the Organization Development profession in a rapidly transforming world *Leading the Learning Organization*
