#### **Personal Relationship With God:**

How to Have a Personal Relationship with God Wendy Stefano, 2011-04-17 How to Have a Personal Relationship with GOD is written to Christians and non Christians alike in an effort to reach those from all walks of life regardless of religious persuasion The goal of the book is to reach out to those who are lost and show them how they can know GOD more intimately as it teaches step by step How to Have a Personal Relationship with GOD The book will establish the reader in the truth according to GOD's Word as it pertains to salvation It will impart knowledge and revelation based on the Bible giving readers the necessary tools to change their lives for the better Kierkegaard, Religion, and Existence Abraham Sagi,2000 This book is an original philosophic exploration of the meaning of Kierkegaard's life his thought and his works It makes a bold case for Kierkegaard s recognition of the concrete existence of the individual including Kierkegaard himself as crucial to the spiritual life Written with delicate insight and beautifully translated from Hebrew this work offers valuable new turns to understanding the puzzling life work of a modern giant of spiritual reflection My Father and Your Father William Landon, 2003-10-20 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God's greatest desire for us It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their **Jesus Is for Everybody** Sophia White,2008-05 Sophia White writes about the development living this book can be a help of her personal relationship with God in terms of life rather than religion She heartily encourages everyone to know God through the life of Jesus Christ whose ministry brought revelations from God to the world It was important for God to illustrate how we must rely upon one another to survive Once we are able to identify with his common sense approach to Gods love we are enabled to approach one another with love The earths population consists of billions of individuals with the ability to do anything at any time thanks to the God given gift of free will However there is an accepted natural world order that was designed by God Since the death of Jesus Christ many events have shown this natural order and humanitys extensive communication with God through him JESUS is for Everybody helps illustrate the contents of the Bible that are related to topics being discussed in the media today The relationship between God and humans has existed since the beginning of time so when a personal relationship with God is established and based solely upon matters of the heart stability is achieved *The Abrahamic Christian Tithing: a Study Book for the Church* Dr. Samuel Kirk Mills, 2012-08-23 This study book delves into the cause of Abrahams tithing to Melchizedek in order to indicate the fundamental spiritual benefits of Christian tithing to every individual member of a local church and its overall importance to the Church of Christ in general The book establishes the following lessons concerning the tithing of Abraham God had planned that Abraham will tithe before the creation of the universe As the father of the Christian faith God had worked in Abraham to tithe to Melchizedek to establish it as a unique type of giving by the church to the High Priestly Ministry of Christ Affirming the fact that Abraham did not know and was not relating to Gods personal nature when he was initially brought to Canaan the book also establishes the following lessons The tithing of Abraham was an indicator of Gods work in him for the patriarch to know and to relate to His personal nature In working in Abraham to tithe as an act of knowing and relating to Him personally God was also establishing the fundamental principle of Christian tithingthat it will be by the principle of knowing and relating to God personally Thus the book benchmarks the spiritual growth that occurred in the life of Abraham following his tithing as the fundamental benefit of the practice of Christian tithing to the individual members of a local church It shows us that Christian tithing is essentially a standardize way of giving by divine establishment that the church would utilize to cultivate personal relationship with God with the goal of growth in trust love and holiness to God With its unique perspective concerning the tithing of Abraham this book serves as a groundbreaking resource for the spiritual vitality of the Church Heaven, Eternity And The Universe Explained David Cogburn, 2024-07-20 Embark on a captivating journey through theological inquiry with God's Plan for Heaven Eternity and the Universe Explained This illuminating book delves into timeless questions offering profound insights on God the afterlife and the cosmos Navigating through religious beliefs and philosophical complexities the author unravels the mysteries of existence with clarity and wisdom From ancient myths to modern science each chapter invites contemplation on life s deepest mysteries Through engaging narratives and thought provoking analysis the book explores diverse religious perspectives uniting humanity s search for meaning More than a theological exploration it s a soulful quest for understanding drawing readers closer to the heart of God s plan Essential reading for those seeking enlightenment and deeper faith Building a Personal Relationship with God Johnson Mbabazi Frsph, 2019-09-14 The Bible shows you the way to salvation with a special focus on where you stand with God how your sin keeps you from knowing him and how Christ connected the gap between humanity and God This book explains how you can rebuild a strong relationship with God This can only be achieved by initiating your journey with genuine strong faith If you build a strong relationship with God God will guide you through challenges and storms using the Holy Spirit If God causes a situation to fail is using that situation for you teach others and rescue others in similar positions and elevate you only by his will provided it is God s will and not your will This means you are not the causation of a situation It must be entirely God's will to build a strong relationship with you There must be strong faith trust and loyalty A strong relationship

with God is built through fearing Him to acquire wisdom and understanding praying without ceasing fasting meditating the scripture and practising what you understand only by his word The best relationship is built with God is through understanding his mind than rather than his acts or ways You need to understand God's mind to grow that intimate relationship with God as he is the author of his own mind Religion and Revelation after Auschwitz Balázs M. Mezei, 2013-04-11 Religion After Auschwitz is a philosophical approach to the notion of revelation Following such authors as A Dulles R Swinburne or K Ward Balazs Mezei investigates some of the main problems of revelation and connects them to the general problem of religion today Religion is considered in the perspective of the age after Auschwitz an expression coined by Hans Jonas and further elaborated by J B Metz Mezei develops the insights of these philosophers and investigates various aspects of religion and revelation after Auschwitz contemporary theistic philosophy phenomenology art mysticism and the question of university education today A fascinating amalgam of subjects and approaches Religion and Revelation After Auschwitz is an important contribution to contemporary discussions on the possibility of Catholic philosophy a Personal Relationship with God Richard Elliott, 2023-11-10 The author's second book DEVELOPING A PERSONAL RELATIONSHIP WITH GOD THE ONE WHO CREATED THE UNIVERSE is a follow up to his first book REFLECTIONS ON LIFE In the first book the author found the answer to Who am I which led him to develop a firmly grounded belief system and deepen his understanding of Who is God In the second book the author shares his personal spiritual journey to develop a personal relationship with God The author believes that humanity is not capable of fully comprehending who or what God is and that the names humanity has given their gods are the gods they understand The author is a Christian but believes that his understanding of God is limited by Christian theology He believes that to develop a personal relationship with God he must go beyond his limited understanding of his Christian God and develop a relationship with the God that is just beyond his understanding The book is divided into five chapters with Chapter 1 focusing on how God s revelations revealed His existence to all humanity and all religions Chapter 2 focuses on Jesus Christ as God's living presence who models and teaches humanity how to coexist Chapter 3 focuses on the Holy Spirit which is in all of creation and every human being and where one can develop a personal relationship with God Chapter 4 puts everything together and Chapter 5 provides final thoughts and emphasizes the importance of developing Thomas F.
