Hawkins, 2017-07-05 The analysis of popular music forces us to rethink the assumptions that underpin our approaches to the study of Western music Not least it brings to the fore an idea that many musicologists still find uncomfortable that commercial production and consumption can be aligned with artistic authenticity Reading pop texts takes place through dialogue on many levels which as Stan Hawkins argues deals with how musical events are shaped by personal alliances between the artist and the recipient The need for a critical approach to evaluating popular music lies at the heart of this book Hawkins explores the relationships that exist between music spectatorship and aesthetics through a series of case studies of pop artists from the 1980s and 1990s Madonna Morrissey Annie Lennox the Pet Shop Boys and Prince represent the diversity of cultures identities and sexualities that characterised the start of the MTV boom Through the interpretation of aspects of the compositional design and musical structures of songs by these pop artists Hawkins suggests ways in which stylistic and technical elements of the music relate to identity formation and its political motivations Settling the Pop Score examines the role of irony and empathy the question of gender race and sexuality and the relevance of textual analysis to the study of popular music Interpreting pop music within the framework of musicology Hawkins helps us to understand the pleasure so many people derive from these songs      **Sexing the Groove** Sheila Whiteley, 2013-09-05 Sexing the Groove discusses these

issues and many more bringing together leading music and cultural theorists to explore the relationships between popular music gender and sexuality The contributors who include Mavis Beayton Stella Bruzzi Sara Cohen Sean Cubitt Keith Negus and Will Straw debate how popular music performers subcultures fans and texts construct and deconstruct masculine and feminine identities Using a wide range of case studies from Mick Jagger to Riot Grrrls they demonstrate that there is nothing natural permanent or immovable about the regime of sexual difference which governs society and culture Sexing the Groove also includes a comprehensive annotated bibliography for further reading and research into gender and popular music

**Performing Rites** Simon Frith, 1998-02-06 An influential writer on popular music asks what we talk about when we talk about music Instead of dismissing emotional response and personal taste as inaccessible to academic critics Frith takes these forms of engagement as his subject and discloses their place at the center of the aesthetics that structure our culture and color our lives      Zitty , 2005      Spree Pamela Klaffke, 2003 In this age of high consumption shopping is going stronger

than ever as a national pastime We are a culture obsessed and beguiled by the desire for consumer goods Journalist and shopping addict Klaffke documents the history of shopping from a time when cattle were currency to the current age of contemporary shopping phenomenon like QVC and eBay From the history of the mall to a look at the darker side of shopping culture kleptomania shopping addictions anti consumerism this is the definitive chronology of the materialist age **Eye**,1999 **International Who's Who in Popular Music 2009** ,2009-03 A comprehensive guide to the people and organizations involved in the world of popular music The Guardian Index ,1999 *The Advocate* ,2000 **Theatre Record** ,2001 MusicHound Rock Gary Graff,1996 Profiles prominent performers with discographies and reviews The Encyclopedia of Record Producers Eric Olsen,Paul Verna,Carlo Wolff,1999 Hundreds of producers of pop music are listed in this resource featuring profiles and interviews by writers and editors of Billboard magazine the most informed voices in the music business **VideoHound's Golden Movie Retriever 1996** VideoHound Editors,Videohound,1995-09 USA Today gave it a 4 star rating the Houston Chronicle called it by far the best and the New York Times says the Hound takes the lead in a blaze of supplemental lists The new 1996 edition of America s favorite guide to movies on video offers over 22 000 video reviews including 1 000 new reviews **News: Österreichs grösstes Nachrichtenmagazin** ,1996 International Who's who in Music ,2000 **Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen** ,2006 *The Gramophone* ,2004 The Harmony Illustrated Encyclopedia of Rock Mike Clifford,1992 The best selling illustrated rock reference book of all time offers the most complete guide available to rock n roll past and present A better choice than The Rolling Stone Encyclopedia of Rock Library Journal The best up to date rock encyclopedia New York Times Full color photographs Der Spiegel Rudolf Augstein,2002
