Peter Cook In His Own Words Cd:

Dudley Moore Rena Fruchter, 2011-06-08 Rena Fruchter was Dudley's concert piano partner and the friend who looked after him in the final years of his life until his death at the age of 66. This is her intimate portrait of the extraordinarily brilliant complex character that was Dudley Moore. During the last ten years of his life Dudley changed. He stepped off the podium and into real life. Physically life was difficult professionally it was turbulent but during his final years he blossomed and in the midst of his illness from the debilitating effects of Progressive Supranuclear Palsy he found peace. Rena writes beautifully of Dudley's final years but also takes us back through his life story conveying his inimitable talent, humour and vibrancy evoking the atmosphere of a working class upbringing in 1940s Britain, life in 1950s London and his relationship with Peter Cook and the excesses of 1980s LA. With style and precision she unravels his personality, looks back at his childhood and career weaving a moving and compelling story of a unique man. **Dream Boogie** Peter

Guralnick, 2008-12-14 From the acclaimed author of *Last Train to Memphis* this is the definitive biography of Sam Cooke, one of the most influential singers and songwriters of all time. Sam Cooke was among the first to blend gospel music and secular themes, the early foundation of soul music. He was the opposite of Elvis, a black performer who appealed to white audiences who wrote his own songs, who controlled his own business destiny. No biography has previously been written that fully captures Sam Cooke's accomplishments, the importance of his contribution to American music, the drama that accompanied his rise in the early days of the civil rights movement and the mystery that surrounds his death. Bestselling author Peter Guralnick tells this moving and significant story from Cooke's childhood as a choirboy to an adulthood when he was anything but. With appearances by Martin Luther King Jr, Malcolm X, James Brown, Harry Belafonte, Aretha Franklin, Fidel Castro, The Beatles, Sonny and Cher, Bob Dylan and other central figures of this explosive era, *Dream Boogie* is a compelling depiction of one man striving to achieve his vision despite all obstacles and an epic portrait of America during the turbulent and hopeful 1950s and 1960s. The triumph of the book is the vividness with which Peter Guralnick conveys the astonishing richness of the black America of this era, the drama, force and feeling of the story. *Verzeichnis lieferbarer Bücher*, 2002 **Framework**
