

The image features a black background with several large, abstract, maroon-colored shapes. These shapes include a semi-circle at the top right, a large 'L' shape on the left, and various other geometric forms at the bottom. A central horizontal band is black with white text, flanked by thin grey lines.

Peter Beagle Starmont Readers Guide 44:

Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle David Stevens, 2013-08-16 In *Beyond Horatio's Philosophy* The Fantasy of Peter S. Beagle David Stevens examines the fantasy of American writer Peter S. Beagle. He finds a consistent view of the world and an almost overpowering sense of humor leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living. His work will be read and enjoyed for generations to come and Stevens tells you why Beagle indulges in what Stevens terms metaphysical speculations: a working out of the possibilities of the world being different than it is. He invites the reader to examine these speculations with him and when we do to come away from the experience as better men and women believing in the transforming power of love and laughing at ourselves in the process. No writer could ask for more or succeed better. Beagle would have us believe to paraphrase Shakespeare's Hamlet that there are more things in heaven and earth than are dreamt of in our philosophy. Complete with bibliography and index.

Xenograffiti R. Reginald, 1996-01-01 In this new retrospective collection spanning almost forty years, Pilgrim Award and Collector's Award winning fantasy novelist, critic, and bibliographer Robert Reginald contributes forty-five essays on writers of fantastic literature including such major and minor figures as Piers Anthony, Edwin Lester Arnold, Margaret Atwood, John Kendrick Bangs, Leslie Barringer, John Bellairs, Arthur Byron Cover, Lindsey Davis, Alexander de Comeau, Daphne du Maurier, R. Lionel Fanthorpe, H. Rider Haggard, Charlotte Haldane, Edward Heron Allen, Eleanor M. Ingram, Vernon Knowles, Katherine Kurtz, Andrew Lang, Fritz Leiber, Bruce McAllister, Ward Moore, Robert Nathan, Sir Henry Newbolt, William F. Nolan, John Norman, Keith Roberts, Michael Reaves, Brian Stableford, and George Zebrowski. Also included is a comprehensive bibliography and history of the publications of Starmont House Inc. and FAX Collector's Editions, a selection of reviews and obituaries, a bibliography, and a detailed index. This unique literary collection will prove of interest both to students and researchers alike. This second edition features fifteen new pieces, including the author's earliest published critique (1968) and a number of original autobiographical reflections on his life and career, penned shortly after his heart attack in 2003.

Peter Beagle Kenneth J. Zahorski, 1988 **Literature and the Child** James Holt McGavran, James Holt McGavran, 1998-04 The Romantic myth of childhood as a transhistorical holy time of innocence and spirituality uncorrupted by the adult world has been subjected in recent years to increasingly serious interrogation. Was there ever really a time when mythic ideals were simple, pure, and uncomplicated? The contributors to this book contend, although in widely differing ways and not always approvingly, that our culture is indeed still pervaded in this postmodern moment of the very late twentieth century by the Romantic conception of childhood, which first emerged two hundred years ago. In the wake of the French Revolution and the Industrial Revolution, western Europe experienced another *fin de siècle* characterized by overwhelming material and institutional change and instability. By historicizing the specific political, social, and economic conflicts at work within the notion of Romantic childhood, the essayists in *Literature and the Child* show us how little these forces have

changed over time and how enriching and empowering they can still be for children and their parents In the first section Romanticism Continued and Contested Alan Richardson and Mitzi Myers question the origins and ends of Romantic childhood In Romantic Ironies Postmodern Texts Dieter Petzold Richard Flynn and James McGavran argue that postmodern texts for both children and adults perpetuate the Romantic complexities of childhood Next in The Commerce of Children s Books Anne Lundin and Paula Connolly study the production and marketing of children s classics Finally in Romantic Ideas in Cultural Confrontations William Scheick and Teya Rosenberg investigate interactions of Romantic myths with those of other cultural systems

The Dark Fantastic Charles William Sullivan, 1997-02-11 This anthology of essays focuses on the darker side of the human condition as it appears in fantastic literature The first section of the book The Dark Self takes its direction from Colin Manlove s essay on Stevenson s Dr Jekyll and Mr Hyde a classic examination of the dark side of the self Section two Mainstream Dark examines mainstream authors who have used elements of the fantastic in their dark visions The Dark Arts section three examines the ways in which the fine arts deal with the darker elements of the real and the fantastic The fourth section Humor in the Dark looks at comedic elements in film and fiction The final section features Kathryn Hume s essay Postmodernism in Popular Literary Fantasy and other essays that are a part of the continuing attempt to bring new critical approaches to fantastic literature
