Portraits Of The Eighteenth Century:

Portraits of the eighteenth century Charles Augustin Sainte-Beuve, 1964 Portraits of the Eighteenth Century Charles Augustin Sainte-Beuve, 1964 **Portraits of the Eighteenth Century** Charles Augustin Sainte-Beuve, 1905 **Portraits of the Eighteenth Century** Charles Augustin Sainte-Beuve, 2018-01-11 Excerpt from Portraits of the Eighteenth Century Historic and Literary But it is not only a choir of immortal artists who have passed from the scene it is more than that it is a manner of conceiving the things of the mind that ceases a literature which departs Sainte beuve was the last of the litterateurs in the former sense of the word We shall never again see writers solely occupied with the things of the intellect and writing of these with grace and good taste 1 would I were mistaken but it seems to me that the pen in future is to serve more especially two classes of men the money makers and the amusers on the one hand the language of busi ness on the other that of violent effects and puerile surprises About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Pastel Portraits** Katharine Baetjer, Marjorie Shelley, 2011 **The Georgians** Desmond Shawe-Taylor, 1990 This is a study of portrait painting and what the paintings tell about 18th century social history The author s aim is to introduce the 18th century portrait according to the sitter and to interpret the ideas and meanings contained in the portrait to show what they tell about contemporary society and culture The artists chosen from a wide range of sources show portrait painting at its high point in the history of British art They include Reynolds Kneller Gainsborough Hogarth Lely Ramsay Raeburn Romney and Stubbs along with less well known painters Hanging the Head Marcia Pointon, 1993 This handsomely illustrated book discusses portraiture as a cultural and political phenomenon in eighteenth century England Marcia Pointon offers detailed historical analyses of portraits by Gainsborough Reynolds Hogarth and others showing how portraiture of the period provided mechanisms for constructing and accessing a national past and for controlling a present that appeared increasingly unruly A lively and inventive book offering an unusual perspective on familiar works The illustrations are magnificent and Pointon provides fascinating information David Nokes The Spectator Impressive comprises a fascinating historical analysis and methodological sophistication which maps new ground in the study of portraiture and provides an excellent model for future generations of researchers Shearer West Times Literary Supplement Original and perceptive The measure of the importance of this thought provoking volume is its fresh approach choosing revealing areas of enquiry to probe eighteenth century attitudes of mind John Hayes Art Newspaper *The Revolution in Eighteenth-century Art* Robert R. Wark, 2001 Ten representative works of

art in the world renowned Huntington collection illustrate the richness and versatility of British painting during the late eighteenth and early nineteenth centuries Artists at this time employed many styles borrowing from ancient Greece India and China from the Byzantine and from the just closing Rococo period Nearly 100 colour illustrations place the ten primary pictures in artistic context

Portraits of the Eighteenth Century C. a. Sainte-Beuve, 2013-09-01 Charles Augustin Sainte Beuve 1804-1869 was a historian and critic of French literature This is the second volume of his 1828 *Tableau de la poesie francaise au seizieme siecle* which includes the Abbe Prevost Jean Jacques Rousseau Frederick the Great Beaumarchais and Marie Antoinette

Hume and the Heroic Portrait Edgar Wind, 1986 This is the second volume of Edgar Wind's selected papers a companion to *The Elegance of Symbols* Of all the scholars associated with the early development of the Warbur Institute Edgar Wind was the first to apply different theoretical principles to the study of English Art above all in his early study of English portraiture now a classic art history text As the seminal essay it gives title to the present volume and is here translated into English for the first time In this essay which marked a change of direction in Wind's own development he argues that two opposing styles of portraiture exemplified in the art of Gainsborough and Reynolds can be related to the different notions of humanity subscribed to by the philosophers David Hume and James Beattie Other important studies also reprinted here make this volume an excellent resource to Wind's tremendous contributions to art history

Representing Duchess Anna Amalia's Bildung Christina K. Lindeman, 2017-04-21 The cultural milieu in the Age of Goethe of eighteenth century Germany is given fresh context in this art historical study of the noted writers patroness Anna Amalia Duchess of Weimar Sachsen Eisenach An important noblewoman and patron of the arts Anna Amalia transformed her court into one of the most intellectually and culturally brilliant in Europe this book reveals the full scope of her impact on the history of art of this time and place More than just biography or a patronage study this book closely examines the art produced by German speaking artists and the figure of Anna Amalia herself Her portraits demonstrate the importance of social networks that enabled her to construct scholarly intellectual identities not only for herself but for the region she represented By investigating ways in which the duchess navigated within male dominated institutions as a means of advancing her own self cultivation or Bildung this book demonstrates the role accorded to women in the public sphere cultural politics and historical memory Cumulatively Christina K Lindeman traces how Anna Amalia a woman from a small German principality was represented as an active participant in enlightened discourses The author presents a novel and original argument concerned with how a powerful woman used art to shape her identity how that identity changed over time and how people around her shaped it an approach that elucidates the power of portraiture in eighteenth and early nineteenth century Europe

Placing Faces Gill Perry, Kate Retford, Jordan Vibert Vibert, Hannah Lyons, 2013-11-26 This book explores the rich but understudied relationship between English country houses and the portraits they contain It features essays by well known scholars such as Alison Yarrington Gill Perry Kate Retford Harriet Guest Emma Barker and Desmond Shawe Taylor Works discussed include grand portraits intimate pastels and imposing sculptures Moving between residences as diverse as Stowe Althorp Park the Vache Chatsworth Knole and Windsor Castle it unpicks the significance of various spaces the closet the gallery the library and the ways in which portraiture interacted with those environments It explores questions around gender investigating narratives of family and kinship in portraits of women as wives and daughters but also as mistresses and celebrities It also interrogates representations of military heroes in order to explore the wider complex ties between these families their houses and imperial conflict This book will be essential reading for all those interested in eighteenth century studies especially for those studying portraiture and country houses

The Portrait Bust and French Cultural Politics in the Eighteenth Century Ronit Milano,2015-02-24 In *The Portrait Bust and French Cultural Politics in the Eighteenth Century* Ronit Milano probes the rich and complex aesthetic and intellectual charge of a remarkably concise art form and explores its role as a powerful agent of epistemological change during one of the most seismic moments in French history The pre Revolutionary portrait bust was inextricably tied to the formation of modern selfhood and to the construction of individual identity during the Enlightenment while positioning both sitters and viewers as part of a collective of individuals who together formed French society In analyzing the contribution of the portrait bust to the construction of interiority and the formulation of new gender roles and political ideals this book touches upon a set of concerns that constitute the very core of our modernity

Picturing Marie Leszczinska (1703-1768) JenniferG Germann,2017-07-05 Portraits of Queen Marie Leszczinska 1703 1768 were highly visible in eighteenth century France Appearing in royal ch aux and after 1737 in the Parisian Salons the queen s image was central to the visual construction of the monarchy Her earliest portraits negotiated aspects of her ethnic difference French gender norms and royal rank to craft an image of an appropriate consort to the king Later portraits by Maurice Quentin de La Tour Carle Van Loo and Jean Marc Nattier contributed to changing notions of queenship over the course of her 43 year tenure Whether as royal wife devout consort or devoted mother Marie Leszczinska s image mattered While she has often been seen as a weak consort this study argues that queenly images were powerful and even necessary for Louis XV s projection of authority This is the first study dedicated to analyzing the queen s portraits It engages feminist theory while setting the queen s image in the context of portraiture in France courtly factional conflict and the history of the French monarchy While this investigation is historically specific it raises the larger problem of the power of women s images versus the empowerment of women a challenge that continues to plague the representation of political women today
