Posredine Stranstviia Zemnogo

Nikolai Gumilev

Posredine Stranstviia Zemnogo:

Brodsky Abroad Sanna Turoma, 2010-05-26 Expelled from the Soviet Union in 1972 and honored with the Nobel Prize fifteen years later poet Joseph Brodsky in many ways fit the grand tradition of exiled writer But Brodsky's years of exile did not render him immobile though he never returned to his beloved Leningrad he was free to travel the world and write about it In Brodsky Abroad Sanna Turoma discusses Brodsky's poems and essays about Mexico Brazil Turkey and Venice Challenging traditional conceptions behind Brodsky's status as a leading migr poet and major descendant of Russian and Euro American modernism she relocates the analysis of his travel texts in the diverse context of contemporary travel and its critique Turoma views Brodsky's travel writing as a response not only to his exile but also to the postmodern and postcolonial landscape that initially shaped the writing of these texts In his Latin American encounters Brodsky exhibits disdain for third world politics and invokes the elegiac genre to reject Mexico's postcolonial reality and to ironically embrace the romanticism of an earlier Russian and European imperial age In an essay on Istanbul he assumes Russia's ambiguous position between East and West as his own to negotiate a distinct and controversial interpretation of Orientalism And Venice the emblematic tourist city becomes the site for a reinvention of his lyric self as more fluid hybrid and cosmopolitan Brodsky Abroad reveals the poet's previously uncharted trajectory from alienated dissident to celebrated man of letters and offers new perspectives on the geopolitical philosophical and linguistic premises of his poetic imagination

Nikolai Gumilev's Africa Nikolai Gumilev, 2018-09-06 Gumilev holds a unique position in the history of Russian poetry as a result of his profound involvement with Africa He extensively wrote both poetry and prose on the culture of the continent in general and on Ethiopia Abyssinia as it was called in Gumilev's time in particular During his abbreviated lifetime Gumilev made four trips to Northern and Eastern Africa the most extensive of which was a 1913 expedition to Abyssinia undertaken on assignment from the St Petersburg Imperial Museum of Anthropology and Ethnography During that trip Gumilev collected Ethiopian folklore and ethnographic objects which upon his return to St Petersburg he deposited at the Museum He and his assistant Nikolai Sverchkov also made more than 200 photographs that offer a unique picture of the African country in the early part of the century This volume collects all of Gumilev's poetry and prose written about Africa for the first time as well as a number of the photographs that he and Nikolai Sverchkov took during their trip that give a fascinating view of that part of the world in the early twentieth century Translated by Slava I Yastremski Michael M Naydan and Maria Badanova

Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public

Ulbandus Review ,2003 New Zealand Slavonic Journal ,2007

Nikolay Gumilev Earl D. Sampson, 1979 This work examines Gumilev's contributions to Russian poetry It also includes a lengthy biographical chapter

Silver-age Writers on the "black" Continent Gwen Walker, 2003 Посреди́не
