Possessed By God A New Testament Theology Of Sanctification And Holiness:

Possessed by God David G. Peterson, 2001-05-29 Challenging a common assumption David Peterson argues that the New Testament emphasizes sanctification as a definitive event God's way of taking possession of us in Christ setting us apart to belong to him and to fulfill his purpose for us

Possessed by God David Peterson, 1995 Challenging the common assumption that the New Testament views sanctification as primarily a process David Peterson argues that its emphasis falls upon sanctification as a definitive event He builds his case on careful exegesis and at the same time shows the pastoral strength of his findings demonstrating that positional sanctification offers the greatest incentive for godly living

Holiness and Ecclesiology in the New Testament Kent Brower, Andy Johnson, 2007-10-26 Throughout the biblical story the people of God are expected to embody God's holy character publicly Therefore holiness is a theological and ecclesial issue prior to being a matter of individual piety Holiness and Ecclesiology in the New Testament offers serious engagement with a variety of New Testament and Qumran documents in order to stimulate churches to imagine anew what it might mean to be a publicly identifiable people who embody God's very character in their particular social setting

Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity This book argues that in Pauline theology the redeemed community is a necessary means for the progressive sanctification of the individual believer an idea that is largely misunderstood in parts of the Western church It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology

Included are the missiological nature of holiness the initiatory character of God the creation of the new humanity as

reflecting the image of God and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system This book offers a corrective to the individualized approach to Christian growth For Paul the focus of God s transformative activity culminates with the community rather than the individual the goal of which is to reveal God s glory to the broader creation **Hidden Holiness** David M.
