Henry Thomas Buckle

Possessed By The Past:

The Art of History J. B. Black, 2016-04-14 The first important scholarly consideration of Enlightenment historiography of the twentieth century this book originally published in 1926 critically examines the ideas of Voltaire Hume Robertston and Gibbon with respect to the theory and practice of historiography The substantial introduction outlines the main differences between the ideals of these literary philosophical schools and those which prevailed among historians in the early 20th century The author argues that history can never be devoid of philosphical and literary interest and that if it concerns itself merely with the stablishment of fact will be a discipline of contracting horizons The Old Debauchees. A Comedy ... by the Author of the Modern Husband [i.e. Henry Fielding]. Henry Fielding, 1732 **History of the Celebration of the Fifieth** Anniversary of the Taking Possession of California and Raising of the American Flag at Monterey, Cal., by Commodore John Drake Sloat, U.S.N., July 7th, 1846 Associated Veterans of the Mexican War, 1896 Waterloo W. D. King, 2022-08-19 In this creative study of history and popular culture W D King ingeniously illustrates how a long forgotten instance in theatre history can reveal the very process of historical change itself Late in the nineteenth century Henry Irving the leading actor manager of the English stage was scathingly attacked by George Bernard Shaw for his popular performance in Conan Doyle's play A Story of Waterloo Shaw's review was one of the first onslaughts in a war against the old guard of the English stage against Victorianism against England and Empire itself King's depiction of this event and its aftermath illuminates the period's crucial values and cultural issues and is presented in a manner that is both convincing and highly entertaining This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 The Magazine of American History with Notes and Queries John Austin Stevens, Benjamin Franklin DeCosta, Henry Phelps Johnston, Martha Joanna Lamb, Nathan Gillett Pond, 1884 Practical grammar of the Somali language, with a manual of sentences, by E. de Larajasse and C. de **Sampont** Évangéliste de Larajasse, 1897 History of the Religious House of Pluscardyn Simeon Ross Macphail, 1881 The History and Antiquities of Roxburghshire and Adjacent Districts, from the Most Remote Period to the Present Time Alexander Jeffrey, 1864 New York History Alexander Clarence Flick, 1997 The History of the Middle Ages Victor Duruy, 1891 Old and new London: a narrative of its history, its people and its places, by W.
