Possession Demoniactal And Other 193:

The Encyclopedia of Demons and Demonology Rosemary Guiley,2009 Explores this dark aspect of folklore and religion and the role that demons play in the modern world Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present *Demonic Possession and Exorcism in Early Modern England* Philip C. Almond,2004-07-01 This book is exclusively devoted to demonic possession and exorcism in early modern England It offers modernized versions of the most significant early modern texts on nine cases of demonic possession from the period 1570 to 1650 the key period in English history for demonic possession The nine stories were all written by eyewitnesses or were derived from eyewitness reports They involve matters of life and death sin and sanctity guilt and innocence of crimes which could not be committed and punishments which could not be deserved The nine critical introductions which accompany the stories address the different strategic intentions of those who wrote them The modernized texts and critical introductions are placed within the context of a wide ranging general Introduction to demonic possession in England across the period 1550 to 1700 **Psychics, Sensitives and Somnambules** Rodger I. Anderson,2015-01-27 Claimants of paranormal abilities have

always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference
