Post Communist Era Change And Continuity In Eastern Europe:

Die Willkür des Staates Stephan Hensell, 2009-03-03 Dieses Buch ist aus einem Projekt am Institut für Friedensforschung und Sicherheitspolitik an der Universität Hamburg IFSH hervorgegangen das von 2003 bis 2006 von der Deutschen Forschungsgemeinschaft DFG sowie der Wissenschaftsförderung der Universität Hamburg finanziell unterstützt wurde Es ist gleich eine bearbeitete Fassung meiner Dissertation die ich im Januar 2008 an der Humboldt Universität zu Berlin eingereicht habe Der DFG der Universität Hamburg und meinen Kolleginnen und Kollegen vom IFSH gilt mein Dank für die wohlwollende Förderung des Projektes Denken möchte ich auch meinen Freunden Mitarbeitern und Gesprächspartnern in Albanien und Georgien die mich bei nicht leichten Feldforschungen vor Ort unterstützt haben Mein Dank gilt ferner dem längst nicht mehr auf Hamburg beschränkten Mitgliederkreis der Arbeitsgemeinschaft Kriegsursachenforschung AKUF an der Universität Hamburg für die ebenso produktive wie freundschaftliche Zusammenarbeit der letzten Jahre Nicht zuletzt danke ich aufrichtig meiner Familie vor allem meiner desperate workingwife für die Unterstützung und große Geduld während der Arbeit an diesem Buch

The Post-Communist Era B. Fowkes, 1999-09-17 History did not come to an end with the collapse of communism in Eastern Europe This book tells the story of what followed during the 1990s Political and national conflict social and cultural change and the economic challenge of the transition to the market are all given their due weight The comparative approach is combined with a detailed treatment of individual countries in alternating chapters The distinction is made here between East Central Europe where the author's conclusions are largely optimistic and the Balkans where uncertainty still prevails

The Soviet Elite from Lenin to Gorbachev Evan Mawdsley, Stephen White, 2000-03-09 This ground breaking book examines the Soviet ruling elite over the entire period of Communist rule It serves as a collective biography of nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991 The book is based on archival research only available after the collapse of communism and extensive interviews with former Central Committee members

Prospects for

Constitutionalism in Post-Communist Countries Levent Gönenç, 2002-06-18 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy Adding to the latter a number of national entities gained their independence after the disintegration of the federative states of the USSR Yugoslavia and Czechoslovakia Many recent studies have focused on these double in some cases triple transitions and scholars from different fields analyzed the so called 1989 Revolution from different perspectives Rather less scholarly attention has been paid to the future of post communist constitutions and prospects for constitutionalism in these countries The main questions dealt with throughout this study can be formulated as follows Will liberal democratic constitutionalism take root in these countries Will new constitutions in Eastern Europe and the former USSR perish or survive This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional in stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective

International Encyclopedia of the Social & Behavioral Sciences Neil J. Smelser, Paul B. Baltes, 2001 The largest work ever published in the social and behavioural sciences It contains 4000 signed articles 15 million words of text 90 000 bibliographic references and 150 biographical entries

Encounters with World Affairs Emilian Kavalski, 2016-03-09 This book is designed to familiarise students with leading International Relations IR theories and their explanation of political events phenomena and processes which cross the territorial boundaries of the state Thus students will be exposed to the interplay between power interest ideas identity and resistance in explaining continuity and change in international relations Developed to provide students with the analytical tools and intellectual frameworks needed to understand the behaviour of different international actors in contemporary global affairs This textbook responds to the challenges of a dynamic job market by assisting students to gain both thorough theoretical knowledge and training them to apply this knowledge to real world problems In short this textbook delivers A comprehensive and interdisciplinary approach to the examination of national regional and global trends in politics economics and socio cultural developments allowing students to understand the practice and theory of contemporary international relations the politics culture history and economies of different regions around the world the role played by international interactions culture and government in local national and global settings Equipping students with the proficiency to understand and interpret the dynamics patterns and issues of global affairs to know how to get more information about particular questions to evaluate that information independently and effectively To these ends the textbook provides a number of features that will appeal to students and avoids overwhelming students with chapters on topics which in practice are rarely on courses while nonetheless providing a comprehensive overview of the field

Introduces students to the main debates topics and terms in the field and allows them to decide which they would like to focus on in their further studies
