Postcards from France Megan McNeill Libby, 1998-04-08 A year spent in France is seen through the postcards of a high school junior who relates her war with the French language and her feelings of isolation on her first day at school **Paris Postcards** Leonard Pitt, 2016-02-15 A unique slice of life in the Golden Age of Paris the City of Light in this illuminating volume of collected postcards **Postcards from France** , Postcards from France Helen Arnold, 1996 **The London Philatelist** , 1892 **A Postcard View of Hell: One Doughboy's Souvenir Album of the First World War** Frank Jacob, Mark D. Van Ells, 2019-03-31 For many the postcard may seem trivial little more than a mundane souvenir or a way to keep in touch with friends and relatives while on vacation But if we look carefully postcards offer valuable insights into the time periods in which they were created and the mentalities of those who bought or sent them Frank Marhefka while serving in the U S Army Motor Transportation Corps during the First World War amassed a collection of more than 150 postcards and photographs while in France and bound them into a souvenir album Marhefka s collection provides a diverse and vivid look into a period of history that in many soldiers accounts is not usually visualized with all its cruelties Emphasizing the pictorial turn of the Great War this album offers personal insight into a conflict that caused so much death and destruction The book begins with an introduction providing a history of postcards and their extensive use by soldiers during the Great War Then after a biography of Marhefka his postcard collection is presented in its entirety Accompanying the images are brief texts that place them into historical context as well as suggestions for further reading As a visual artifact of the First World War and the perspective of one U S soldier this book is aimed at students scholars postcard collectors and general readers alike who have an interest in military history and popular culture **Merci, Paris, Postcards from a Life** D. Roberto Michael, 2018-02-28 R Michael in this work seeks to take a slice of life from the City of Love the City of Lights that have garnered the imaginations of millions of people over the centuries Here shows a bit of that famous city Paris through his eyes though words can t capture it enough Vive Paris Viva France French Undressing Paul Hammond, 1976 The years between 1900 and 1920 saw the golden age of the picture postcard come and go From the Paris of this era came some of the naughtier cards known of course as French cards or French postcards and it is from a fine collection of these that this book has drawn its material In his subtle and witty discussion of more than 200 such cards the author describes how they were produced who made them and why they look as they do He uncovers the relationship between postcard eroticism and the eroticism of salon painting of the period popular magazine illustration and the primitive cinema Particular attention is paid to the conscious use of sexual symbolism in many of the postcards Adapted from back cover A Postcard from France Laurie Friedman, 2022-01-17 Twins Camila and Carlos find a postcard in their mailbox from a boy in France and they set off on a magical adventure to see his country **Postcards from France** Gai Reid, 2015-05-12 Postcards from France is a story of how the sensual powers of this essentially feminine country healed a profound loss of love identity and place Seeking peace

and joy after the death of the two most significant people in her life the author returns to France a place where she feels an inexplicable sense of belonging Here I become the person who lives inside my skin not the person who lives inside my house and inhabits my job Stories of French experiences move through the ages taking you from the sublime to the repugnant the humorous to the poignant Madame Paris sits proud and sanguine with her Mona Lisa smile hinting at her knowledge of what has happened throughout the centuries without judgment without sentiment She glances at her cobblestone streets that once ran with blood as she gestures to her elegant opulence She flips through the dissent and the creativity with no discernable preference and mingles all that she has been and seen into an infallible sense of self You will travel to some of the most enthralling villages in Provence the best of Normandy Brittany the regal Loire Valley and the incomparable Paris as the author digs into the history of new and familiar parts of France for colour context and meaning then sends it home on postcards to herself Salut I am sitting in history in the sun flecked shade of a plane tree that could have been planted when Mozart was learning to play piano or when Marie Antoinette was attempting to figure out her bewildering husband and king of France Louis XVI Remember this moment Je suis tr s content With love me Postcards David Prochaska,Jordana Mendelson,2010 Examines postcards as images that are carriers of text and textual correspondence that circulate images across boundaries of class gender nationality and race Discusses issues concerning the concrete practices of production consumption collection and appropriation **Appendix to the Journals of the House of Representatives of New Zealand** ,1888 **Propaganda Postcards of World War II** Ron Menchine,2000 Here s World War II as it has never been seen before The propaganda of the war years reflects the mood of the nations involved The stories behind propaganda postcards are fascinating bits of history often overlooked in textbooks These are the real thing showing how the Axis and Allies demonized their enemies and glorified their heroes More than 300 postcards from over 20 nations and Menchine s incisive commentary provide a provocative glimpse into the emotional climate of the peoples affected by the war whether they were on the battlefield or on the production line *Hatemail* Salo Aizenberg,2013-11-01 Published by the University of Nebraska Press as a Jewish Publication Society book *France at War World War 1* ,2011-09-20 My grandfather s collection of postcards from France during WW1 Appendix to the Journals of the House of Representatives of New Zealand New Zealand.
