

A cinematic still from a film. In the foreground, a woman with dark hair is seen in profile, looking towards a man. Her right hand is raised, palm facing him, with a ring on her ring finger. The man, in the background, is looking at her. They appear to be in a car, with the interior and a window visible. The lighting is soft and dramatic.

Postman Postman Kill My Postman A Love Story:

The Dame in the Kimono Leonard J. Leff, Jerold L. Simmons, 2013-07-24 This excellent lively study examines the raucous debate sparked by the Code over the morals and ideals of American movies Publishers Weekly The new edition of this seminal work takes the story of the Production Code and motion picture censorship into the present including the creation of the PG 13 and NC 17 ratings in the 1990s Starting in the early 1930s the Production Code Director Joe Breen and his successor Geoff Shurlock understood that American motion pictures needed enough rope enough sex and violence and tang to lasso an audience and not enough to strangle the industry To explore the history and implementation of the Motion Picture Production Code this book uses 11 movies *Dead End* *Gone With the Wind* *The Outlaw* *The Postman Always Rings Twice* *The Bicycle Thief* *Detective Story* *A Streetcar Named Desire* *The Moon Is Blue* *The French Line* *Lolita* and *Who's Afraid of Virginia Woolf* The authors combine a lively style with provocative insights and a wealth of anecdotes to show how the code helped shape American screen content for nearly 50 years A readable intimate account of the rise to near tyrannical power and the fall to well deserved ignominy of the old Production Code Administration Atlantic Monthly A valuable insight into our own innocence and naiveté The New York Times Book Review The triumph of Leff and Simmons's fine work is that they have reminded us of how fatuous and inimical a code of conduct can be how tempting it is as a theoretical answer and how intrinsically flawed it is as a working solution The Times of London

The Vivian Romance Mortimer Collins, 1870 **Kiss Me, Kill Me** Ann Rule, 2004-12-01 The dark side of love is no fairy tale And while we may like to believe that crimes of the heart only victimize those who aren't careful this page turning collection of must read accounts will convince you otherwise America's 1 true crime writer Ann Rule reveals how lovers become predators how sex and lust can push ordinary people to desperate acts and how investigators and forensics experts work to unravel the most entangled crimes of passion Extracting behind the scenes details Rule makes these volatile relationships utterly real and masterfully re creates the ill fated chains of events in such cases as the ex Marine and martial arts master who seduced vulnerable women and then destroyed their lives the killer whose calling card was a single bloodred rose the faithless wife who manipulated and murdered without conscience the blind date that set the stage for a killer's brutality and more In every case the victim young and innocent or older and experienced unknowingly trusted a stranger with the sociopathic skill to hide their dark motives
