## **Postmillennialism An Eschatology Of Hope:**

*Postmillennialism* Keith A. Mathison, 1999 Is there hope for this world Do the promises of the gospel hold out a bright future for the families and nations of the earth In this enlightening work Keith A Mathison sets forth a wealth of biblical historical and theological evidence for an optimistic eschatology Unlike end time forecasts that see modest growth in the church before Christ s return postmillennialism expects the Spirit blessed gospel to have overwhelming success in bringing the world to Christ Mathison explains why and he calls us to renewed faith and expectation as we serve the reigning King of Kings

**He Shall Have Dominion** Kenneth L Gentry, 2021-04-08 This book provides a thorough presentation of postmillennialism Postmillennialism is the eschatological system of Scripture that holds that the gospel of Jesus Christ will gradually win world wide sway The postmillennialist believes that o ne day before Christ returns the world as a system will be Christianized operating on biblical principles in all areas of life This will lead to a long period in which righteousness peace and prosperity will prevail in the earth He Shall Have Dominion argues for Christianity s dominance in world affairs be means of scores of Bible verses and numerous theological observations It provides three entire chapters answering objections to the postmillennial hope

**Victory in Jesus** Greg L. Bahnsen, Robert R. editor Booth, 2000-01-01 We have just ended a century dominated by a multitude of failed prophecies from those who looked to be raptured out of a collapsing world at any moment The dawning of a new millennium will hopefully cause the Church to pause and consider whether these discredited prophets should be hooted off the stage Victory in Jesus The Bright Hope of Postmillennialism offers a sober and faithful examination of Scripture while clearly demonstrating that Christians have every reason to expect the victory of Jesus and the triumph of the gospel as the Great Commission is fulfilled on earth The first three chapters edited from lectures delivered by Dr Bahnsen offer a simple and easy to understand presentation of eschatology in general and especially postmillennial eschatology These chapters are foundational and provide an excellent start for the person who wants a survey of the topic without too much technical or theological language The last two chapters build on this foundation and layout a more advanced and in depth explanation of the postmillennial position Back cover

*Chalcedon Report*, 2004

**The Twilight of Postmillennialism** Michael A. Fenemore, Kurt M. Simmons, 2010-08-26 Dr Keith A Mathison is one of postmillennialism s leading proponents He describes his eschatological vision postmillennialism teaches that the thousand years of Revelation 20 occurs prior to the Second Coming An essential doctrine of postmillennialism is that prior to the Second Coming the messianic kingdom will grow until it has filled the whole earth Postmillennialism An Eschatology of Hope pp 10 191 But in his book When Shall These Things Be Mathison concedes As far as Paul knew Christ could have returned in his lifetime p 194 If Christ could have returned within Paul s lifetime how could there have been enough time for an enormous millennium culminating in the messianic kingdom filling the whole earth If you find this tremendous inconsistency disturbing The Twilight of Postmillennialism will be of interest to you Within its pages numerous specious arguments

proposed by leading advocates of postmillennialism and amillennialism are exposed as fatally flawed You will be outraged as you witness Mathison and Dr Kenneth L Gentry Jr distorting simple pronouns in desperate attempts to prove their points If you are a postmillennialist prepare for a crisis of belief as Michael A Fenemore decisively disproves postmillennialism s lynchpin teaching that Matthew 24 should be divided into fulfilled and unfulfilled sections You may not know whether to laugh or cry as Kurt M Simmons exposes the ill conceived theory of unfolding eschatology proposed by Dr Richard L Pratt Jr Authors have been quoted extensively so reading their books first is not required The Twilight of Postmillennialism was written to be of value to all Christians including those with a limited understanding of post amillennialism Three articles in the appendices present powerful evidence precluding ALL eschatological systems that place the second coming of Christ in the future leaving full preterism as the only option He Shall Have Dominion Kenneth L Gentry,2021-02-22 In this edition of this classic study of postmillennialism you will sense anew the powerful message of Psalm 72 that Christ shall have dominion from sea to sea Psa 72 8 You will learn that God s word boldly promises that the whole earth will be filled with his glory 72 19 so that all nations will call him blessed 72 17 before Christ returns Many evangelicals today are concerned about those being Left Behind on this Late Great Planet Earth as it collapses into absolute chaos But the postmillennialist optimistically believes regarding Christ that He Shall Have Dominion throughout the earth In this book you will find the whole biblical rationale for the postmillennial hope from its incipient beginning in Genesis to its glorious conclusion in Revelation Your faith will be re invigorated as you begin to recognize that the gospel is the power of God unto salvation Rom 1 16 and that our Lord Jesus really meant it when he commanded us to go and make disciples of all the nations Matt 28 19

Matthews,2019-11-19 Luther s theology of the cross has impacted major theologians and centuries of theology including the present and yet it is weakened by its reactionary theological determinism reductionism and understandable failure to properly integrate fluid melioristic and pro creation kingdom eschatology N T Wright s revolutionary cross articulated in The Day the Revolution Began Reconsidering the Meaning of Jesus s Crucifixion is a brilliant and clarion new creation eschatological call to action that suffers from a somewhat cryptic imprecise and unrefined eschatology Heino O Kadai has presented an authoritative and concise rendering of Luther s key insights Rustin Brian has carefully assessed whether Luther s theology of the cross deserves blame for the Deus absconditus of modernity in his Barthian influenced Covering Up Luther Robert Cady Saler has masterfully articulated a relevant and pastoral Theologia Crucis framed by Moltmann s Theology of Hope that is most applicable to the contemporary church and sociopolitical engagement A Theology of Cross and Kingdom sympathetically and creatively critiques and synthesizes dominant themes in such classical and contemporary theologies of the cross within a unified cross and kingdom eschatology Matthews deftly overcomes many of the less than helpful disjunctive approaches to the theology of the cross while proffering a way forward for this most influential and core theological treasure of the church *The Heart of the Gospel* Bernie Van De Walle,2009-01-01 The Fourfold Gospel most often associated with Albert B Simpson founder of The Christian and Missionary Alliance which focuses on the doctrines of Christ as Savior Sanctifier Healer and Coming King has been identified as a key contributing factor to the birth and development of the modern Pentecostal movement Through a close observation of the doctrinal themes of select and renowned Evangelical leaders in America A J Gordon of Boston D L Moody of Chicago A T Pierson of Philadelphia Detroit and A B Simpson of New York this work shows that the Fourfold Gospel and therefore the theological source for modern Pentecostalism rather than being a marginal movement within late nineteenth century Evangelicalism was instead its very heart *The Christian Betrayal of the United States* Carl Wells,2010-10-22 The Christian Betrayal of the United States theorizes that 100% of the problems of the United States have their root in the conservative Bible believing Christian church of this country Countless books by liberal Christians or by non Christians have accused the Christian right of being a dangerous segment of our country Following the principles of the Christian right will lead to tyranny so the theory goes The Christian Betrayal of the United States takes a very different tack According to the author the Bible believing Christians have betrayed their country already by their actions in many distinct arenas of life Those who have cursed the Bible believing

Christians as being too Christian have got it exactly backward They may curse Christians again when they understand that Christians were not Christian enough The author far from being a liberal Christian or a humanist is a self professed conservative Bible believing Christian He strives to show how his own people have betrayed their nation It is a dark story On the brighter side the author also tries to grope toward a solution of the problems he and his people have caused

Postmillennialism & the Imminent Return of Christ Travis Fentiman,2025-06-17 A major share of the Reformation and puritan era held to post millennialism that only after the majority of the nations convert to Christianity in the Millennium Ps 22 26 31 Isa 2 2 5 Rev 20 4 etc will Christ come again It is sometimes posed as an objection to this that Christ may come back at any time therefore post millennialism is not true Yet most of Church history has recognized from Scripture that there are prophecies which must occur before Christ comes again hence Christ cannot come at any time This article demonstrates from the Scriptures that the Lord s standing at the door and coming quickly is consistent with a robust postmillennialism

**Word and Power** Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today Christ's Second Coming, is it Pre-millennial Or Postmillennial? Richard Cunningham Shimeall,1866 *From Age to Age* Keith A. Mathison,2009 Using the narrative method of biblical theology *From Age to Age* traces the eschatological themes of Scripture from Genesis to Revelation emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over arching picture *A Contemporary Anabaptist Theology* Thomas N. Finger,2004-11-05 In this comprehensive volume Thomas N Finger takes on the formidable task of making explicit the often implicit theology of the Anabaptist movement and then presenting for the sake of the welfare of the whole contemporary Christian church his own constructive theology In the first part Finger tells the story of the development of Anabaptist thought helping the reader grasp both the unifying and diverse elements in that theological tradition In the second and third parts Finger considers in more detail the major themes essential to Anabaptist theology first considering the historic views and then presenting his own constructive effort Within the Anabaptist perspective Finger offers a theology that highlights the three dimensions of its salvific center the communal the personal and the missional The themes taken up

in the final part form what Finger identifies as the convictional framework of that center namely Christology anthropology and eschatology This book is a landmark contribution of Anabaptist theology for the whole church in biblical historical and contemporary context Biblical Principles and Business Richard C. Chewning,1989 **Karl Barth and Evangelical Theology** Sung Wook Chung,2006 Over the past twenty years renewed interest in Karl Barth has made him a major voice in contemporary systematic theological circles once again This work explores the substantial convergences and divergences between Barth s theology and the historic evangelical faith It will appeal to evangelical readers interested in reassessing the influence and impact of Barth s theology Contributors include Kevin J Vanhoozer Alister E McGrath Timothy George Gabriel Fackre Stanley Grenz and Henri Blocher **Magazin für ev.-luth.
