## **Pot Of Gold And Other Plays:**

The Pot of Gold and Other Plays Plautus, 2004-07-01 One of the supreme comic writers of the Roman world Plautus c 254 184 BC skilfully adapted classic Greek comic models to the manners and customs of his day This collection features a varied selection of his finest plays from the light hearted comedy *Pseudolus* in which the lovesick Calidorus and his slave try to liberate his lover from her pimp to the more subversive *The Prisoners* which raises serious questions about the role of slavery Also included are *The Brothers Menaechmus* which formed the prototype for Shakespeare's *The Comedy of Errors* and *The Pot of Gold* whose old miser Euclio is a glorious study in avarice Throughout Plautus breathes new brilliant life into classic comic types including deceitful twins scheming slaves bitter old men and swaggering soldiers creating an entertaining critique of Roman life and values **The Pot of Gold**, 1965 *The Pot of Gold, and Other Plays* Titus Maccius Plautus, 1968 *Pot of Gold and Other Plays* Titus Maccius Plautus, 1992 **Comedy** Eli Rozik, 2011-08-24 While assimilating theoretical insights from Aristotle to this day this title contests inter alia the theory of comedy's ritual origin challenges the age old and continuing attempts to determine the structure of action that characterises comedy and suggests instead that structures of action are shared by all genres **Structures of Avarice** Malti-Douglas, 2023-09-20 Arabic literature is noted for its tradition conscious consistency and sophistication In the classical period poetry and prose reached a high level of refinement and attained standards which are still being applied in the modern Arab world today The literature of the modern post classical period is no less sophisticated being a vibrant and flourishing expression of the continued Arabic tradition The series *Studies in Arabic Literature Supplements to the Journal of Arabic Literature* founded in 1971 is concerned with all kinds of literary expression in Arabic including the oral and vernacular traditions of both the modern and the classical periods Studies in the series can be literary historical analytical or comparative in nature and can treat of individual works authors and genres as well as literary traditions in a wider context Studies dealing with the social political and philosophical backgrounds of Arabic literature are particularly welcome in the series The series comprises monographs thematic collections of articles handbooks textual editions and annotated translations Text editions are as a rule accompanied by a translation on facing pages both text editions and translations should include comprehensive critical introductions which give a full and proper appreciation of the text or texts in question [The Cambridge Introduction to Comedy](#) Eric Weitz, 2009-04-16 Laughter says Eric Weitz may be considered one of the most extravagant physical effects one person can have on another without touching them But how do we identify something which is meant to be comic what defines something as comedy and what does this mean for the way we enter the world of a comic text Addressing these issues and many more this is a how to guide to reading comedy from the pages of a dramatic text with relevance to anything from novels and newspaper columns to billboards and emails The book enables you to enhance your grasp of the comic through familiarity with characteristic structures and patterns referring to comedy in literature film and television throughout Perfect

for drama and literature students this Introduction explores a genre which affects the everyday lives of us all and will therefore also capture the interest of anyone who loves to laugh      *Theatre Sciences* Eli Rozik,2015-06-26 Traditional theatre semiotics promoted a scientific approach to theatre studies albeit viewing semiotics as the unique discipline of research Theatre Sciences A Plea for a Multidisciplinary Approach to Theatre Studies suggests instead a multi disciplinary approach including the following theoretical disciplines narratology mythology pragmatics ethics theatre irony theory of genres aesthetics semiotics theory of non verbal figures of speech rhetoric psychoanalysis reception theory history and sociology with semiotics being only one among equals These disciplines are presented from the perspective of their possible contributions to a sound methodology of theatre texts analysis Traditional theatre semiotics moreover holds the view that the actual performance on stage is the genuine text of theatre instead of the play script Despite this paradigmatic shift however this viewpoint has failed to produce commendable analyses of such texts The alternative presupposition put forward in this volume entails a series of novel perceptions of the theatre text and its possible impact on the experiencing spectator whose role in reading interpreting and experiencing the theatre text is not less crucial than that of the text itself This view presupposes that the theatre text is a description of a fictional world generated by the theatre medium The author also contests the age old view that a theatre fictional text reflects a simple narrative structure and suggests instead a complexity that consists of seven layers personified mythical praxical naive ironic modal and aesthetic with each one of them re structuring the previous layer Professor Rozik also presents and describes a semiotic layer that lends communicative capacity to the description of a fictional world and two additional metaphoric and rhetoric layers which structure the theatre experience The underlying purpose is to illustrate the application of the aforementioned disciplines to these fictional layers and eventually their joint application to entire theatre fictional texts Organisation of the book reflects the structure of a university course      Chicorel Theater Index to Plays in Anthologies, Periodicals, Discs, and Tapes Marietta Chicorel,1972
