

Portraits Postcards

A. W. Coysh, Arthur Wilfred Coysh

Portraits Postcards:

A Postcard History of the Passenger Liner Christopher Deakes, 2023-10-01 From around 1880 for almost a hundred years shipowners commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled their exotic destinations and life onboard These paintings rich in imagination and atmosphere appeared on postcards and posters of the day and were used to advertise the companies and their ships and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner In 1900 there were over thirty shipping companies operating passenger liners across the North Atlantic Other oceans were similarly served But now with just a few exceptions the companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting

The Political Portrait Luciano Cheles, Alessandro Giacone, 2020-06-10 The leader's portrait produced in a variety of media statues coins billboards posters stamps is a key instrument of propaganda in totalitarian regimes but increasingly also dominates political communication in democratic countries as a result of the personalization and spectacularization of campaigning Written by an international group of contributors this volume focuses on the last one hundred years covering a wide range of countries around the globe and dealing with dictatorial regimes and democratic systems alike As well as discussing the effigies that are produced by the powers that be for propaganda purposes it looks at the uses of portraiture by antagonistic groups or movements as forms of resistance derision denunciation and demonization This volume will be of interest to researchers in visual studies art history media studies cultural studies politics and contemporary history

The Focal Encyclopedia of Photography Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world's oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the atomic to the cosmic

Modeling the Meanings of Pictures John Kulvicki, 2020-09-05 John Kulvicki offers an account of the many ways in which pictures can be meaningful which is inspired by the philosophy of language Pictures are important parts of communicative acts along with language gesture facial expressions and props They express wide ranges of thoughts

make assertions offer warnings instructions and commands Pictures are also representations They have meanings which help explain the range of communicative uses to which they can be put Modelling the meanings of pictures is accounting for the ways in which pictures manage to be meaningful with an eye toward how those meanings let us use them as we do By framing pictures with the philosophy of language we acquire new perspectives on the many things we can do with them Sometimes pictures are used as descriptions he looks like this while sometimes they are used more like singular terms find him while showing a mug shot Most picture making cultures also have iconographies but this is usually put to one side in discussions of pictures if it is mentioned at all Likewise some uses of pictures especially in advertising are metaphorical and very little has been said about metaphor in pictures Pictures are also related in important ways to other kinds of representations like maps and this book provides a new way of understanding what makes them alike and different By showing that pictures are very different from languages this book also shows that the tools developed with language in mind are not actually specific to linguistic phenomena

Illustrated List of the Portraits National Portrait Gallery (Great Britain),1928 American Photography ,1915 **The Dictionary of Picture Postcards in Britain, 1894-1939** A. W. Coysh,Arthur Wilfred Coysh,1996 Full of relevant information this book covers the whole field of picture postcard production in Britain It is an indispensable reference to a vast amount of collectable pictorial material **Picture Postcards in the United States, 1893-1918** George Miller,Dorothy Miller,1976 *Picturing Disability* Robert Bogdan,2012-11-19 Midget feeble minded crippled lame and insane these terms and the historical photographs that accompany them may seem shocking to present day audiences A young woman with no arms wears a sequined tutu and smiles for the camera as she smokes a cigarette with her toes a man holds up two prosthetic legs while his own legs are bared to the knees to show his missing feet The photos were used as promotional material for circus sideshows charity drives and art galleries They were found on begging cards and in family albums In *Picturing Disability* Bogdan and his collaborators gather over 200 historical photographs showing how people with disabilities have been presented and exploring the contexts in which they were photographed Rather than focus on the subjects Bogdan turns his gaze on the people behind the camera He examines the historic and cultural environment of the photographs to decipher the relationship between the images and the perspectives of the picture makers In analyzing the visual rhetoric of these photographs Bogdan identifies the wide variety of genres from sideshow souvenirs to clinical photographs Ranging from the 1860s when photographs first became readily available to the 1970s when the disability rights movement became a force for significant change Bogdan chronicles the evolution of disability image creation *Picturing Disability* takes the reader beyond judging images as positive or slanderous to reveal how particular contexts generate specific emotions and lasting depictions *A List of the Paintings, Sculptures, Miniatures, &c* National Portrait Gallery (Great Britain),1921 Photography Annual ,1896 **Postcards** David Prochaska,Jordana Mendelson,2010 Examines postcards as images that are carriers of text and textual correspondence that circulate images

across boundaries of class gender nationality and race Discusses issues concerning the concrete practices of production consumption collection and appropriation **Fotogeschichte** ,1995 **The Photographic News** ,1903 **Real Photo Postcard Guide** Robert Bogdan,Todd Weseloh,2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history origin and cultural significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide spans technical considerations of production characteristics of superior images collecting categories and methods of research for dating photo postcards and investigating their photographers In a broader sense the authors show how real photo postcards document the social history of America From family outings and workplace awards to lynchings and natural disasters every image captures a moment of American cultural history from the society that generated them Bogdan and Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable *Photography* ,1898 **Picture Sources** Ann Novotny,Special Libraries Association. Picture Division,Rosemary Eakins,American Society of Picture Professionals,1975 The Illustrated Worldwide Who's who of Jews in Photography George Gilbert,1996 Picture Sources Ernest H. Robl,1983 **Photography and Focus** ,1910
