

Portsmouth Nh In The Victorian Era

Victor M. Corman

Portsmouth Nh In The Victorian Era:

Old-House Journal ,2000-01 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **Home Sweet Home** Zachary Chastain,2014-09-29 In rough frontier cabins tidy farmhouses and elegant townhouses Americans in the 1800s were dedicated to living as well and as comfortably as their circumstances allowed The American home was a sacred institution the seat of family life where the patriarch ruled with Mother at his side as guardian of the home and the children were raised with strict discipline and strong values Changes in taste and fashion improvements in technology indoor plumbing and a host of new labor saving devices and social change transformed home and family life in the 1800s as opportunities for leisure activities and commercially produced consumer goods came within reach of the average American But the strong American tradition of the sanctity of the home consumerism and the importance of a happy family life has its roots in the homes of nineteenth century Americans **Oxbridge Men** Paul R. Deslandes,2005-05-04 The mythic status of the Oxbridge man at the height of the British Empire continues to persist in depictions of this small elite world as an ideal of athleticism intellectualism tradition and ritual In his investigation of the origins of this myth Paul R Deslandes explores the everyday life of undergraduates at Oxford and Cambridge to examine how they experienced manhood He considers phenomena such as the dynamics of the junior common room the competition of exams and the social and athletic obligations of intercollegiate boat races to show how rituals activities relationships and discourses all contributed to gender formation Casting light on the lived experience of undergraduates Oxbridge Men shows how an influential brand of British manliness was embraced altered and occasionally rejected as these students grew from boys into men **General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich** Detroit Public Library,1894 Fearless Neil Thomas Proto,2020-05-01 Finalist for the 2021 The Next Generation Indie Book Award in the Autobiography Biography Category presented by the Independent Book Publishing Professionals Group Bronze Winner 2020 Foreword INDIES Book of the Year Award in the Biography Category In 1977 a thirty nine year old Italian American professor of Renaissance literature A Bartlett Giamatti was chosen as the next president of Yale University a radical act that was immediately perceived as a threat to the university s embedded eugenics driven Anglo Saxon mentality Eugenics as practiced in America and especially at Yale locked into place those who were deemed unfit due to beliefs about their ethnicity class and racial character beliefs that had endured for decades and to which Giamatti s selection as an Italian American and therefore to some one of the unfit was an open rebuke In Fearless Neil Thomas Proto explores the origins of Giamatti s ethical convictions including his insistence on fairness his respect for the duty of responsible citizenship and his advocacy for people on the margins Proto argues that these convictions

which would inform Giamatti's time at Yale as well as his brief tenure as commissioner of Major League Baseball can be understood only in the context of Giamatti's family and the deeply entwined and conflicted histories of Yale and New Haven itself a history that Giamatti who had been both a student and a professor at Yale and who had Italian American relatives in New Haven knew very well Historian Sean Wilentz wrote that Bart Giamatti was a phenomenon who lived the lives of several men even though his own ended tragically early Giamatti confirmed his underlying imperative through to the end of his life Rest he wrote will come by never resting Fearless is a story about persistence against forces ugly embedded and more pernicious than simply racial and ethnic discrimination and about the principled embrace of civic duty passed on generationally and used fully as the ethical sword and shield necessary to challenge them
