Wheeler, Walter C. Opello Jr., 2010-05-10 Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy One of the continent's oldest nation states Portugal has frontiers that are essentially unchanged since the late 14th century The country's unique character and 850 year history as an independent state present several curious paradoxes As of 1974 when much of the remainder of the Portuguese overseas empire was decolonized Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration Phoenicians Greeks Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of Historical Dictionary of Portugal greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects **The Portuguese and the Socio-Cultural Changes in Kerala** James John, 2020-03-10 The momentous interaction between Portugal and Kerala commenced with the historic voyage of Vasco da Gama in 1498 It had lasting impact on the society of Kerala The voyage with the express purpose of searching for Christians and Spices left longlasting imprint on the life of the people of Kerala Though the Portuguese did not have political dominion in Kerala the political influence they gained in Kerala precipitated a lot of socio cultural changes The intensity and degree of these changes were commensurate with the tenor of the Portuguese networking with the diverse socio cultural traits in Kerala Those sections of the Kerala society that gained a higher extent of

interconnectedness with the Portuguese manifested a higher degree of socio cultural transition One of the most significant means for socio cultural change that the Portuguese employed in Kerala was ecclesiastical legislation This cultural interface between Portugal and Kerala resulted in multiple fissions and fusions in the society of Kerala This book delves deep into the multifarious interaction between the two communities and the consequent socio cultural changes that Kerala witnessed during 1498 1663 the period when Portuguese influence was at its acme Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Portugal* Ian Robertson,1996 **A Traveller's History of Portugal** Ian Robertson,John Hoste,2011 A definitive concise history of Portugal from its earliest beginnings right up to the politics and life of the present day It was not until the twelfth century that Portugal became a country in its own right having been a Roman colony and then having suffered both Barbarian and Islamic invasions The golden age of discoveries the reign and foresight of Henry the Navigator and great seamen such as Vasco da Gama led to the founding of Portugal's empire and wealth Troubled times followed in 1755 Lisbon was virtually leveled by the Great Earthquake and the country had hardly recovered its former prosperity when it was overrun by Napoleon's troops at the start of the Peninsular War to be followed not long after by the Miguelite civil war The middle decades of the nineteenth century saw the Port Wine trade flourishing and further expansion into Africa During the last quarter of the twentieth century ever since the bloodless revolution of 1974 overthrew the rightwing dictatorship of Salazar the country has regained its stability and now takes its rightful place in the European Community Illustrated with maps and line drawings the book has a full Historical Gazetteer cross referenced to the main text that concentrates on the historic sites in a country that has retained its individuality and thus its appeal to the individual traveler **Traveller's History Portugal** Ian Robertson,2002-04-11 Well known guidebook author for the series once described as the Elizabeth David of travel writers Portugal is visited by 1.8 million tourists from the UK every year **Portugal** Mark Ellingham,John Fisher,Graham Kenyon,1998 This fully updated guide to one of Europe's most surprising countries features complete information on all ranges of accommodations from basic pensiones to luxury hotels and up to date facts on sightseeing shopping day trips dining and more of color photos 64 maps *Portugal* John Laidlar,2000 Annotation A bibliography citing and annotating over 750 publications on Portugal for English readers They range across disciplines such as history archaeology biography emigrants and overseas colonies finance and banking labor science and technology sport periodicals literature transport science flora religion and politics The emphasis is on works published during or since the 1980s but a number of earlier titles are also included A substantial introduction outlines the country's history Laidlar Portuguese U of Manchester updates P T H Unwin's 1987 first edition Annotation copyright by Book News Inc Portland OR Portuguese Studies Review ,1998 Portugal ,1996 **Lonely Planet Portugal** Julia Wilkinson,John King,1999 Discover Portugal's rugged natural beauty and rich cultural heritage with this informative and practical guide Whether you yearn to get off the
