Choosing Single Motherhood Alina Devoss, 2021-05-26 Being a parent is challenging enough. Being a single parent can seem downright impossible until now. It will help them to identify the strongholds in their lives: public assistance, lack of education, abusive relationships, and tear them down with the help of the creator so that they can in turn take the steps necessary to build a better life for themselves and their children. The author tears down all of the excuses for why single mothers can't succeed. It breaks away at all of the lies that are told about why single mothers are in their current situations and it defies the statistics that say the children of single mothers will never amount to anything. It tells of the author's transition from the devastation of an abusive marriage which left her with two sons at an early age to her testimony of deliverance and release. Forthcoming Books Rose Arny, 1995 **The Mindful Single Parent** Avery

Nightingale, 2025-03-18 *The Mindful Single Parent: Practices for Peace and Empowerment* by Avery Nightingale is a transformative guide designed to support single parents in their journey to find balance, peace, and empowerment amidst the challenges of single parenthood. Seven Keys to Successful

Single Parenting Shirley Robinson Sprinkles, 2011-06-14 Seven Keys to Successful Single Parenting offers nuggets of wisdom that author Shirley Robinson Sprinkles gained rearing her four children, now all highly successful adults. While this is not intended to be a how-to book, it is a treatise about complex issues that confronted the author while she was a single parent, issues that may still exist for contemporary single parents. Although there is no one-size-fits-all approach to parenting, Sprinkles hopes and expects that readers will glean some nuggets of information that will be useful and helpful. About the Author: Shirley Robinson Sprinkles is semiretired and lives with her husband in Austin, Texas. She is the author of *From Dunbar to Destiny: One Woman's Journey through Desegregation and Beyond*.

The Joy of Single Parenting Elnader

Hale, 2009-04-18 This book is about the stigma imposed on single parents as the result of a few single parents who have fallen down and refused to get up. It is the author's intent to ignite discussion and ideas on how we, as a people, can reach back and help one single parent or the child of a single parent to become all he or she can be towards attaining the American Dream. I hope you enjoy these food for thought and join me in my mission of changing the life of a child or a single parent.
