Congressional Quarterly, inc

Post Passage Politics Bicameral Resolution In Congress:

The Development of Bicameral Resolution Procedures in the U.S. Congress Elizabeth Edna Rybicki, 2007 **New Directions in Congressional Politics** Jamie L. Carson, 2012-03-29 As the U S Congress has steadily evolved so too has our understanding of the institution *New Directions in Congressional Politics* offers an accessible overview of the current developments in our understanding of America s legislative branch Jamie L Carson helps students bridge the gap between roles rules and outcomes by focusing on four themes woven throughout the importance of electoral considerations legislators strategic behavior to accomplish objectives the unique challenges of Congress as a bicameral institution and the often overlooked policy outputs of the institution This book brings together leading scholars of Congress to provide a general overview of the entire field Each chapter covers the cutting edge developments on its respective topic As the political institution responsible for enacting laws the American public regularly looks to the U S Congress to address the important issues of the day The contributors in this volume help explain why staying atop the research trends help us better understand these issues *Guide to Congress* CQ Press, 2012-08-10 The new edition of this comprehensive two volume reference has been thoroughly revised and expanded by expert CQ Press writers with years of experience covering Congress to offer a complete institutional history of Congress along with updated insight and analysis on the 2008 and 2010 shifts in power of the U S Senate and House of Representatives The 35 chapters of *Guide to Congress* Seventh Edition are divided into eight subject areas that cover all aspects of the U S Congress Origins and Development of Congress from the constitutional beginnings of the legislative branch to the histories of the House and Senate and their power shifts eras of partisanship and unity influential leaders and working relationships with presidents New coverage includes analysis of the tug of war between House Democrats and the George W Bush administration on Iraq war withdrawal timetables updates on criminal investigations of House members including William J Jefferson of Louisiana and Charles Rangel of New York and analysis of the Tea Party Movement and new Republican majority Powers of Congress including powers to tax spend and borrow to conduct foreign policy and investigations to confirm and impeach to regulate commerce to amend the Constitution and to select the president Updated material includes analysis of the George W Bush administration s use of immunity from questioning by congressional committees analysis of the signing of the new START treaty with Russia marking a cornerstone of U S relations with the country coverage of the War on Terror including the killing of bin Laden in a U S raid in Pakistan and perspective on the negotiations to raise the federal debt ceiling in 2011 Congressional Procedures detailing the party and leadership structures rules and the legislative process the committee system assignment and procedures and congressional staff Revised coverage profiles the methods styles and legislative successes and defeats of House Speakers Pelosi and Boehner and Senate majority leader Reid The Guide also analyzes the new hyperpartisanship emerging in Congress and provides updates on congressional travel reforms and aide statistics and trends Pressures on Congress

including influence from constituents political parties the president the Supreme Court lobbyists and the media New material explores the use of social media to communicate with constituents examines the role of the new Consumer Financial Protection Bureau and analyzes the Obama administration s relationship with Congress Housing and Support covering the U S Capitol House and Senate office buildings the Library of Congress and organizations such as the Government Accountability Office and the Congressional Research Service Updates are provided on new initiatives by the Library of Congress and reforms to the General Accounting Office Pay and Perquisites including honoraria and allowances franking and travel privileges and other benefits Updates include revised figures for congressional pay and benefits and analysis of efforts to control privately sponsored foreign travel Congress and the Electorate covering the right to vote the demographic composition of congress the role of parties in elections campaign financing and redistricting New information discusses elections statistics in recent elections the impact of third parties Tea Party gains and the creation of super PACs and 527 groups Qualifications and conduct detailing congressional ethics investigations and procedures for disciplining members Updated coverage reviews ethics investigations including the creation of the Office of Congressional Ethics Specific investigations and outcomes are discussed including the censure of Charles Rangel and disapproval of Joe Wilson s outburst during a speech by President Obama Volume 2 concludes with a selected bibliography and key reference materials a list of all members of congress who have served since 1789 congressional election results floor leaders and committee chairs dates for sessions of congress women black Asian and Hispanic members and many more Boxed features tables and figures and a generous number of photos enhance the topical coverage of this definitive resource on Congress **US Senate Guide**

Volume 1 Basic Information, Organization, Procedures IBP, Inc.,2015-04-09 2011 Updated Reprint Updated Annually US Senate Guide vol1 The Oxford Handbook of the American Congress Eric Schickler,Frances E. Lee,2013-03-14 No legislature in the world has a greater influence over its nation s public affairs than the US Congress The Congress s centrality in the US system of government has placed research on Congress at the heart of scholarship on American politics Generations of American government scholars working in a wide range of methodological traditions have focused their analysis on understanding Congress both as a lawmaking and a representative institution The purpose of this volume is to take stock of this impressive and diverse literature identifying areas of accomplishment and promising directions for future work The editors have commissioned 37 chapters by leading scholars in the field each chapter critically engages the scholarship focusing on a particular aspect of congressional politics including the institution s responsiveness to the American public its procedures and capacities for policymaking its internal procedures and development relationships between the branches of government and the scholarly methodologies for approaching these topics The Handbook also includes chapters addressing timely questions including partisan polarization congressional war powers and the supermajoritarian procedures of the contemporary Senate Beyond simply bringing readers up to speed on the current state

of research the volume offers critical assessments of how each literature has progressed or failed to progress in recent decades The chapters identify the major questions posed by each line of research and assess the degree to which the answers developed in the literature are persuasive The goal is not simply to tell us where we have been as a field but to set an agenda for research on Congress for the next decade The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical overviews of the state of scholarship on American politics Each volume focuses on a particular aspect of the field The project is under the General Editorship of George C Edwards III and distinguished specialists in their respective fields edit each volume The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move The series is an indispensable reference for anyone working in American politics General Editor for The Oxford Handbooks of American Politics George C Edwards III

Post-Passage Politics Stephen Dart Van Beek, Stephen D. Van Beek, 1995 Megabills that package scores of legislative proposals into House and Senate bills generate unprecedented disagreements between the House and Senate requiring congressional leaders the president committee chairs and junior members to play new roles in this struggle for resolution Conference committees of hundreds of members informal negotiations among party leaders and preconference strategizing and behavior are among the new realities of bicameralism that are viewed in this study These conferences are vital because they generally are the last arenas in which large scale changes can be made in legislation

How Congress Works CQ Press, 2012-11-20 In simple clear language the new edition of this classic work presents basic explanations of the procedures and rules that govern the U S Senate and House of Representatives Highlighted sidebars further detail the impact of congressional action with interesting narrative examples from history along with charts and tables that provide a complete overview of congressional procedures This edition has been thoroughly updated to reflect the changes on Capitol Hill since 2008 How Congress Works helps readers place recent events in the context of the entire picture of how Congress operates A detailed index rounds out this introduction to the real Congress

Sizing Up the Senate Frances E. Lee, Bruce I. Oppenheimer, 1999-10 This book raises questions about one of the key institutions of American government the United States Senate and should be of interest to anyone concerned with issues of representation

Party, Process, and Political Change in Congress David W. Brady, Mathew Daniel McCubbins, 2007 The authors in this edited volume examine the political economy of the history of Congress by showing how changes in Congressional practices and institutions are related to key economic and political events

Political Science Quarterly, 1996 Offers timely analysis of both domestic and foreign policy issues as well as of political institutions and processes

Neighborhood and Nation in Tokyo, 1905-1937 Sally A. Hastings, 1995 This book addresses an important issue concerning a relatively little known era in Japanese history the shaping of Japan's modern political community prior to World War II Contesting the view that prewar Japan pushed a conservative statist agenda Sally Hastings argues that the state bureaucracy particularly the Home Ministry

encouraged a more participatory political and cultural environment before 1937 than is generally believed In this analysis of working class areas of Tokyo especially its Honjo ward Hastings shows that bureaucrats were concerned with the needs of their citizens and took significant steps to protect the city s working families and the poor **How Congress Works**

Congressional Quarterly, inc,2008-04-10 Presents basic explanations of the procedures and rules that govern the Senate and the House **Done Deal?** Daniel J. Palazzolo,1999-03-19 How did a Democratic president and a Republican Congress reach agreement at a time of intense partisanship mutual distrust and suspicion How were leaders of opposing parties able to negotiate a good faith agreement to balance the budget reduce spending for Medicare and cut taxes Does the agreement truly deserve the praise given by its supporters or the criticism dealt by its opponents Daniel J Palazzolo answers these questions with a vivid first person account of federal budget politics In Done Deal Palazzolo debunks conventional views of Washington politics that portray an antiquated separation of powers system hopelessly mired in partisan politics Applying a realist expectations perspective he recognizes the possibilities and limitations of the American political system and identifies inherent constraints on policy reform His careful analysis highlights the system s capacity to adapt to changing circumstances and produce important changes in policy **Guide to Congress** Congressional Quarterly, inc,2000 Focusing

on Congress the United States supreme law making body this reference covers such issues as how media reporting has affected the ability of Congress to function and how the GOP leadership and its region of dedicated conservatives changed the tenor of debate in Congress **Guide to Congress** ,2000 Bowker's Law Books and Serials in Print ,1994

Between the Margins Robert Alan Hennig,1997 **America, History and Life** ,1998 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **The Publishers' Trade List Annual** ,1995 *Health Policymaking in the United States* Beaufort
