Postmodern Public Administration Toward Discourse:

Postmodern Public Administration Charles J. Fox, Hugh T. Miller, 1994-11-08 Charles J Fox and Hugh T Miller challenge current thinking about public policy and administration in the light of the postmodern condition In this book existing and accepted theories such as public management doctrines constitutionalism and communitarianism are rejected in favour of constructing a discourse theory of public administration The book also provides an invaluable thorough and clear review of the doctrines and philosophies that have to date dominated the field

Postmodern Public Administration Hugh T. Miller, 2024-11-01 This widely acclaimed work provides a lively counterbalance to the standard assessment measurement accountability prescriptions that have made showing you did your job more important than actually doing it Now extensively revised it articulates a postmodern theory of public administration that challenges the field to redirect its attention away from narrow technique oriented scientism and toward democratic openness and ethics The authors incorporate insights from thinkers like Rorty Giddens Derrida and Foucault to recast public administration as an arena of decentered practices In their framework ideographic collisions and everyday impasses bring about political events that challenge the status quo creating possibilities for social change *Postmodern Public Administration* is an outstanding intellectual achievement that has rewritten the political theory of public administration This new edition will encourage everyone who reads it to think quite differently about democratic governance

Postmodern Public Administration Hugh T Miller, Hugh T. Postmodern Public Policy Hugh T. Miller, 2012-02-01 *Postmodern Public Policy* introduces new ways of investigating the urgent difficulties confronting the public sector The second half of the twentieth century saw approaches to public administration public policy and public management dominated by technical instrumental thought that aspired to neutrality objectivity and managerialism This form of social science has contributed to a public sector where policy debates have been reduced to bumper sticker slogans a citizenry largely alienated and distant from government and analysis that ignores history and context and eschews the lived experiences of actual people Hugh T Miller brings together the latest thinking from epistemology evolutionary theory and discourse theory in an accessible and useful manner

to emphasize how a postmodern approach offers the possibility of well considered pragmatic solutions grounded in political pluralism and social interaction between public service professionals and community members

Postmodern Public Administration Charles J. Fox, Hugh T. Miller, 1995 In this book Fox and Miller define public administration theory and public management doctrine as an orthodoxy that is intellectually bankrupt and democratically unacceptable Constitutionalism and communitarianism get similar treatment Next the authors construct a new theoretical position defined as constructivism and based on critical theory phenomenology and structuration theory
