AUTHOR, 2015-06-15 Excerpt from The Poultry Doctor Including the Homeopathic Treatment and Care of Chickens Turkeys Geese Ducks and Singing Birds Also a Materia Medica of the Chief Remedies In actual money value the products of poultry raising including eggs surpasses that of many ambitious industries and is surpassed by few if any in the world be they agricultural or manufacturing Notwithstanding the great aggregate value of poultry but little attention has been paid to the medical treatment of the ills of fowls which are many and what little they have received has too often been of such a nature that they would have been better without it This however is not surprising for as long as men are ignorant of or deny the truth of homeopathy the great and only law of cure so long will they be incapable of formulating any system of medicine applicable to all diseases whether of man beast or fowl Homeopathy offers to poultry raisers a system of medicine for their fowls which is exceedingly efficacious involves little labor and trifling expense That system will be found detailed in this book About the Publisher Forgotten Books publishes hundreds
