Poverty Explanations Of Social Deprivation:

Poverty Robert Holman,1978-01-01 **Poverty : explanations of social deprivation** Robert Holman,1981 *Poverty and Social Deprivation in the Mediterranean* Maria Petmesidou,Christos Papatheodoru,2013-07-04 In the growth of regional identities worldwide the Mediterranean Basin is emerging as an entity in its own right This book a unique collaboration among social scientists around the entire Mediterranean littoral covers Southern Europe Turkey the Balkans North Africa and the Near East Leading economists sociologists and social policy experts document with new and up to date empirical material the changing profiles of poverty and social deprivation The result is a thought provoking comparison of the extent severity and structural causes of poverty and social inequality and the huge diversity of public responses to the challenges they pose *Poverty, Social Exclusion and Microfinance in Britain* Ben Rogaly,Thomas Fisher,1999 This is an analysis of the potential of community based financial services to reduce poverty and combat social exclusion in Britain From this base the authors move to a critical review of the outcomes of microfinance interventions around the world They consider innovative economic responses to poverty in countries such as Bangladesh and Bolivia Then drawing on their own research they set out ways to counter financial exclusion in Britain how to enable people to build assets and acquire capital and provide mechanisms for the wealth retention in communities deserted by conventional banks **Social Exclusion and Anti-poverty Strategies** ,1996 *Analysis of Socio-Economic Conditions* Gianni Betti,Achille Lemmi,2021-03-30 Showcasing fuzzy set theory this book highlights the enormous potential of fuzzy logic in helping to analyse the complexity of a wide range of socio economic patterns and behaviour The contributions to this volume explore the most up to date fuzzy set methods for the measurement of socio economic phenomena in a multidimensional and or dynamic perspective Thus far fuzzy set theory has primarily been utilised in the social sciences in the field of poverty measurement These chapters examine the latest work in this area while also exploring further applications including social exclusion the labour market educational mismatch sustainability quality of life and violence against women The authors demonstrate that real world situations are often characterised by imprecision uncertainty and vagueness which cannot be properly described by the classical set theory which uses a simple true false binary logic By contrast fuzzy set theory has been shown to be a powerful tool for describing the multidimensionality and complexity of social phenomena This book will be of significant interest to economists statisticians and sociologists utilising quantitative methods to explore socio economic phenomena **Measuring Global Poverty** S. Wisor,2011-12-01 The author examines the moral methodological and practical problems that arise from poverty measurement He establishes a methodological framework for analyzing poverty conceptions and measures and concludes with concrete recommendations regarding both the procedures for and substance of future global poverty measurement *Social Problems in Modern America* Elbert W. Stewart,1983 *Poverty and the Human Condition* John D. Jones,1990 A philosophical investigation into the meaning of poverty this text provides a conceptual and phenomenological analysis of

poverty undertaken firstly to pose poverty as a philosophical problem in the context of a philosophy of human existence and secondly to analyze the conceptual framework in which poverty is interpreted in other disciplines

The Disadvantages of Inequality Richard Berthoud, Political and Economic Planning, 1976 Social research monograph on poverty in the UK considers the problem of multiple deprivation among low income families covers unemployment housing problems the adequacy of social assistance etc and includes survey data References and statistical tables

The SAGE Dictionary of Health and Society Kevin White, 2006-01-05 The inter relationships of health illness and society are matters of intense and growing research and debate Kevin White has performed an extraordinary service to anyone who would wish to understand or contribute to such debates His dictionary is authoritative and comprehensive It provides clear confident and succinct summaries of key terms concepts debates and influential figures in the field of social aspects of health Ray Fitzpatrick Professor of Public Health University of Oxford The field of Health Studies has grown enormously over the last 30 years Yet surprisingly until now no comprehensive and authoritative Dictionary of key terms has been available This book fills the gap with over 900 terms used in the health studies field The dictionary Provides one stop coverage of the social scientific arena in Health Studies Offers concise definitions of key terms and think Focuses on global key terms which apply to the entire field rather than the application of terms in different countries Chosen with finesse and understanding of student needs the entries provide readers with a key resource in the field of health studies and the sociology of health and illness
