Dark Light Chinedu Nnadi, 2025-11-04 When half of New York City is swallowed by a sudden blackout panic spreads through the streets But to Dr Elise Warren a brilliant electrical engineer with a past she'd rather forget the darkness feels disturbingly familiar Years ago she helped design *Dark Light* a revolutionary energy system that promised endless power Until it was shut down after a mysterious accident that destroyed her career Now the blackout bears the same digital signature as her old project Someone has resurrected *Dark Light* and turned it into a weapon Drawn reluctantly back into the world she left behind Elise is forced to team up with Agent Daniel Rourke a hardened investigator with his own agenda

Together they follow a trail of encrypted messages corporate betrayals and bodies left in the shadows of a city teetering on the edge of collapse Every clue points to a ghost from Elise s past her former mentor Dr Adrian Kessler long presumed dead But the deeper they dig the more terrifying the truth becomes The blackout isn t an accident it s a test And the next phase could plunge the entire nation into chaos As the lights flicker and trust fractures Elise must face the man who taught her everything and decide whether to destroy the creation that made her or let it destroy the world In *Dark Light* illumination itself becomes a weapon and the line between salvation and annihilation vanishes in the dark **Energy Economist** ,2003
