# Science Plus +

The background of the cover is a vibrant red. Overlaid on this are several glowing, multi-colored orbits (yellow, orange, blue, and white) that swirl around a bright, glowing yellow star in the center. The orbits have a soft, ethereal quality, with some appearing as thin lines and others as thicker, more prominent bands. The overall effect is one of dynamic energy and scientific exploration.A small, solid red vertical bar located in the bottom left corner of the cover.
