Foodopoly Wenonah Hauter, 2015-04-07 A meticulously researched tour de force on politics big agriculture and the need to go beyond farmers markets to find fixes Publishers Weekly Wenonah Hauter owns an organic family farm that provides healthy vegetables to hundreds of families as part of the Community Supported Agriculture CSA movement Yet as a leading healthy food advocate Hauter believes that the local food movement is not enough to solve America's food crisis and the public health debacle it has created In Foodopoly she takes aim at the real culprit the control of food production by a handful of large corporations backed by political clout that prevents farmers from raising healthy crops and limits the choices people can make in the grocery store Blending history reporting and a deep understanding of farming and food production Foodopoly is a shocking revealing account of the business behind the meat vegetables grains and milk most Americans eat every day including some of our favorite and most respected organic and health conscious brands Hauter also pulls the curtain back from the little understood but vital realm of agricultural policy showing how it has been hijacked by lobbyists driving out independent farmers and food processors in favor of the likes of Cargill Tyson Kraft and ConAgra Foodopoly shows how the impacts ripple far and wide from economic stagnation in rural communities to famines overseas and argues that solving this crisis will require a complete structural shift a change that is about politics not just personal choice

Incentive, 2005 Managing and marketing through motivation Saving Main Street Gary Rivlin, 2022-10-18 A veteran journalist follows an inspiring ensemble cast of small business owners fighting to keep their businesses alive through Covid 19 while exploring the sweeping trends and government policies that had brought small businesses to the breaking point long before the coronavirus hit There is a tendency to fetishize small business even as it shrinks before our eyes Americans extol the virtues of small local often family run shops yet buy from big box retailers and chains that dominate the competition Even before the pandemic small businesses seemed endangered When Covid 19 hit the resounding question was How will

they be able to survive this Saving Main Street is an unfiltered up close examination of a small group of business owners and their employees their struggles and their strategies to survive It is an eye opening tale of grit perseverance and entrepreneurial spirit that follows three businesses a restaurant owner and his rambunctious staff an immigrant running her own hair salon and the owner of a non life sustaining gift shop alongside a larger cast of vividly drawn characters Gary Rivlin focuses on the first days of the Covid lockdown and the ensuing eighteen months of chaos including the personal and financial risks a contentious presidential election and contradictory governmental guidelines all which compounded the everyday challenges of running an independent business trying to attract and retain customers who expect low prices convenience and endless choice Rivlin keenly observes small businesses from all angles examining commonly held myths contradictions in government policy enormous racial and class fissures a national self identity intrinsically connected to the ideal of small business and how the decline of this American way of retail impacts our notions of American exceptionalism community and civic duty As Rivlin reveals there s something enduring about small business in the American psyche Life will have changed in unprecedented ways on the other side of this pandemic yet hard times will also create opportunities offering hope and survival **Tax Court Memorandum Decisions** Commerce Clearing House,1996 Contains the full texts of all Tax Court decisions entered from Oct 24 1942 to date with case table and topical index **CCH Federal Tax Weekly** ,1996
