Health Promotion in Midwifery Jan Bowden, Sam Bassett, 2024-11-29 The fourth edition of Health Promotion in Midwifery explores the principles of health promotion within the practical context of midwifery It clearly outlines and discusses the midwife's role in health promotion linking theory and practice This thoroughly updated new edition considers recent changes and developments in midwifery practice and public health It explores essential topics such as infant feeding smoking mental health behaviour change models for health promotion violence and abuse and sexual health promotion and includes seven entirely new chapters These new additions reflect the need to improve inequalities in care for service users from a range of backgrounds such as for clients from racially diverse communities clients from the LGBT communities and migrant and displaced clients Further chapters such as those looking at public health in a global world vaccinations in pregnancy and self care for midwives meet needs highlighted by the recent pandemic and its aftermath Text boxes throughout ensure the text is accessible and user friendly and case studies and summaries put the material in a practical

context Further reading sections encourage readers to further research and reflect on their own practice This textbook is essential reading for all midwives student midwives health visitors and other health care professionals in maternity care education and practice Health Promotion in the Universities and Other Educational Settings Miguel Corbí, Antoni Aguilo, Carmen Gallardo Pino, Mario Del Líbano ,Carlos Emanuel Rodriguez-Diaz, Hiram V. Arroyo Acevedo, 2025-09-17 The promotion of health in universities is of great importance as it allows for the encouragement of healthy lifestyles and the prevention of diseases among students teaching staff and administrative personnel The university is a conducive environment for the promotion of healthy habits since firstly it is usually the moment when the students make decisions under their responsibility and secondly it is a place where academic sports and social activities take place so it is also an ideal moment to promote changes that can be transferred to society and the rest of the individual's life Health promotion in universities can cover several areas such as healthy eating physical exercise prevention of addictions emotional and social mental health among others It can also involve the entire university community from students to administrative and teaching staff In the case of students it is essential as it is a period of change and habit formation and the fact that they will be the future decision makers of society **The Sage Handbook of Promotional Culture and Society** Lee Edwards, Clea Bourne, Jason Vincent A. Cabañes, Gisela Castro, 2024-12-04 The Sage Handbook of Promotional Culture and Society critically examines the social political and cultural impact of promotional industries including advertising branding public relations strategic communication and marketing communication By adopting a global and inclusive approach to its subject the Handbook champions marginalised voices and cross cultural scholarship It brings together contributions from and about a broad range of countries and contexts beyond the Global North providing a well rounded picture of promotion as the international phenomenon it is today Chapters explore both established and emerging topics with an entire section dedicated to the interplay between promotion and identities as well as providing coverage of interdisciplinary issues such as promotional media and children the climate crisis and social media influencers There is also a clear focus on bridging theory and practice with discussions of promotional occupations and workers woven through the chapters By reflecting on the questions of what promotional culture is today how it has evolved and where it is practiced and by whom this Handbook is essential reading for scholars and students seeking to shape future research and debate in this dynamic field Part 1 Promotional Culture and Industry Logics Part 2 Promotional Practices Part 3 Promotion and Identities Part 4 Promotion and Popular Culture Part 5 Promotion and Institutional Power *Year 2 GenAI Safety and Security* Emma, 2025-03-08 We are celebrating year 2 after GenAI explosion Still there are many questions on the table for what would be next for the future of GenAI and humanity Nobody would what is next When Trump won the President 2025 that future would be more unknown than ever with a trade war and AI race However between no regulation and bad regulations obviously we are much better without regulations The reality is regulation only work out for the good guys trying to follow the rules while the bad guys will

do whatever regardless regulation My story started a year ago A day I lost an entire access to everything that I have built for three years since a pandemic with questions about the first chapter of human and genAI The book is a whole story of my second year with GenAI explosion I will walk you through the most controversy period of 2024 known as the big election When Donald J Trump known for several accusation for his first term and previous past won the second term non consecutive term despite of how media predicted that he will lose the biggest ever cyber security in this history in tech healthcare telecommunication and finance the bottleneck of AI safety and security also the main updates of policies and prevention for the better future of humanity
