**Undercover Police Surveillance in Comparative Perspective** Cyrille Fijnaut, Gary T. Marx, 2023-08-14 The United States and Europe have recently experienced a significant expansion in the use of undercover police tactics and technological means of surveillance In a democratic society such tactics raise significant questions for public policy and social research New and sophisticated forms of crime and social control and their internationalization represent an important and neglected topic Realizing this the leading scholars in this field created a European and American working group for the comparative study of police surveillance This collaborative landmark volume reports the results of their work It is the first book ever devoted to the comparative study of the topic and includes articles on the historical development of covert policing in Europe and its spread to the United States where it was extended and recently exported back to Europe plus detailed accounts of the use of covert tactics in France Germany the Netherlands Belgium the United Kingdom Iceland Sweden Canada and the United States Audience Social scientists historians policy makers lawyers and criminal justice practitioners      *The Enemy Within* Terry Crowdy, 2011-12-20 Separating myth from reality *The Enemy Within* traces the history of espionage from its development in ancient times through to the end of the Cold War and beyond shedding light on the clandestine activities that have so often tipped the balance in times of war This detailed account delves into the murky depths of the realm of spymasters and their spies revealing many amazing and often bizarre stories along the way From the monkey hanged as a spy during the Napoleonic wars to the British Double Cross Committee in World War II this journey through the history of espionage shows us that no two spies are alike and their fascinating stories are fraught with danger and intrigue      **The Containment of Organised Crime and Terrorism** Cyrille J.C.F. Fijnaut, 2016-11-21 This unique volume collects articles and contributions to edited books published throughout his distinguished career by Professor Cyrille Fijnaut one of the world s leading experts in the fields of organised crime security and criminology It makes clear what issues the author systematically explored over the years and how he helped to shape the fields in which he has worked and continues to work The texts reflecting the author s profound understanding of these complex fields and wealth of experience on a practical level are presented according to topic In addition the volume offers English translations of seminal articles published originally in Dutch thus making these important texts accessible to international scholars for the first time The volume thus constitutes a unique and indispensable resource for scholars and practitioners inside and outside the Netherlands      **The French Secret Services** Martyn Cornick, Peter Morris, 1993      *Napoleon, Oder, Der Mythos Des Retters* Jean Tulard, 1982      *Mennonite Family History*, 1997      **Proceedings of the Consortium on Revolutionary Europe** Consortium on Revolutionary
