Science and Health with Key to the Scriptures Mary Baker Glover Eddy,1974 **Science and Health** G.Eddy Baker,Mary Baker,1909 **Science and Health, with Keys to the Scriptures** Mary Eddy,2014-12-31 A book introduces new thoughts but it cannot make them speedily understood It is the task of the sturdy pioneer to hew the tall oak and to cut the rough granite Future ages must declare what the pioneer has accomplished Mary Baker Eddy Among the various religious movements of the 19th century few have had as widespread an influence as Christian Science the religious system devised by a fragile little lady named Mary Baker Eddy Eddy was a religious woman who suffered an injury in the 1860s that led her to found a new church premised most notably on the belief that people need not turn to medicine or drugs to heal themselves but simply to reach a better understanding of the nature of God Just before founding this new church Eddy published her movement s seminal text Science and Health with Key to the Scriptures 1875 which laid out her expansive views about Christianity and the metaphysical reasons she believed that people could overcome illness without relying on man made technology In effect since sin disease and death are not God s making men could also shed them by becoming closer to God In addition to founding her church and authoring that seminal book Eddy wrote voluminously over the coming decades helping establish both the Christian Science Journal and most famously the Christian Science Monitor Not surprisingly Eddy s religious teachings were controversial but so was the woman herself She was embroiled in all sorts of disputes including whether she had plagiarized the teachings of her contemporary Phineas Quimby Despite having famous critics like Mark Twain attacking her teachings and others questioning whether they were even hers the Church grew to

include hundreds of thousands of followers in the early 20th century While that number has dwindled over recent decades the Church and its institutions are still going strong today **Prose Works Other Than Science and Health with Key to the Scriptures** Mary Baker Eddy, 1925
