Baseball with a Latin Beat Peter C. Bjarkman, 2010-07-27 Since Cuba's Esteban Bellan made his debut for the Troy Haymakers of the National Association in 1871 Latin Americans have played a large role in the major leagues Nearly 15 percent of big league rosters are made up of Latinos while the region's colorful and competitive winter leagues have been a proving ground for up and coming major league players and managers Early Latin American stars were barred purely because of the color of their skin from playing in the major leagues Players such as Jose Mendez and Martin Dihigo the only player elected to the U.S. Cuban and Mexican halls of fame made their marks on the Negro Leagues turning the leagues barnstorming tours into major attractions in many

Caribbean countries This history of the players and events that make up the rich tradition of Latin American baseball gives a unique insight to this long neglected area of baseball *Developments in Marketing Science* Academy of Marketing Science,2008 Vols for 1978 are the proceedings of the 2nd annual conference of the Academy of Marketing Science

Understanding Behavior in the Context of Time Alan Strathman,Jeff Joireman,2006-04-21 Understanding Behavior in the Context of Time reviews the research on temporal orientation and brings together the disparate social behaviors influenced by time perspective Organized into four sections each chapter includes theory research applications and directions for future research Some chapters outline novel theoretical approaches that help to expand and or integrate existing theories The second part focuses on individual level processes and reviews the conceptualization measurement and lifespan development of time orientation the outcomes associated with various time orientations and how temporal factors influence attitudes and persuasion Part three explores the role of time within interpersonal and group level processes as applied to such areas as close relationships group cooperation aggression organizational behavior pro environmental behavior and cultural issues This book will be of interest to social and personality psychologists and the book s applied emphasis will appeal to health environmental and industrial psychologists Judgments over Time Lawrence J. Sanna,Edward C. Chang,2006-03-16 This volume presents the two main ways of looking at judgments over time looking at how people s thoughts about the future and past affect their present states and looking at the interplay over time among people s thoughts feelings and behaviors
