The Oxford Handbook of Science Fiction Rob Latham, 2014 The Oxford Handbook of Science Fiction attempts to describe the historical and cultural contours of SF in the wake of technoculture studies Rather than treating the genre as an isolated aesthetic formation it examines SF's many lines of cross pollination with technocultural realities since its inception in the nineteenth century showing how SF's unique history and subcultural identity has been constructed in ongoing dialogue with popular discourses of science and technology The volume consists of four broadly themed sections each divided into eleven chapters Section I Science Fiction as Genre considers the internal history of SF literature examining its characteristic aesthetic and ideological modalities its animating social and commercial institutions and its relationship to other fantastic genres Section II Science Fiction as Medium presents a more diverse and ramified understanding of what constitutes the field as a mode of artistic and pop cultural expression canvassing extra literary manifestations of SF ranging from film and television to videogames and hypertext to music and theme parks Section III Science Fiction as Culture examines the genre in relation to cultural issues and contexts that have influenced it and been influenced by it in turn the goal being to see how SF has helped to constitute and define important subcultural groupings social movements and historical developments during the nineteenth twentieth and twenty first centuries Finally Section IV Science Fiction as Worldview explores SF as a mode of thought and its intersection with other philosophies and large scale perspectives on the world from the Enlightenment to the present day

Off the Main Sequence Tom Easton, 2006-10-01 Tom Easton has served as the monthly book review columnist for Analog Science Fiction for almost three decades having contributed during that span many hundreds of columns and over a million words of penetrating criticism on the best literature that science fiction has to offer His reviews have been celebrated for their wit humor readability knowledge and incisiveness His love of literature particularly fantastic literature is everywhere evident in his essays Easton has ever been

willing to cover small presses obscure authors and unusual publications being the only major critic in the field to do so on a regular basis He seems to delight in finding the rare gem among the backwaters of the publishing field A reviewer's job he says is not to judge books for the ages but to tell readers enough about a book to give them some idea of whether they would enjoy it And this he does admirably whether he's discussing the works of the great writers in the field or touching upon the least amongst them This companion volume to Periodic Stars Borgo Wildside collects another 250 of Easton's best reviews from the last fifteen years of The Reference Library No one does it better and no other guide provides such lengthy or discerning commentary on the best SF works of recent times Complete with Introduction and detailed Index **The Man**

from Mars Fred Nadis, 2014-07-10 Now in paperback the rollicking critically acclaimed true story of the legendary writer and editor who ruled over America's sci fi fantasy and supernatural pulp journals in the mid twentieth century Ray Palmer Palmer could not have asked for a more sympathetic chronicler or a better one than Fred Nadis His prose and his pronouncements are everything Palmer's practically never were restrained nuanced intelligently considered Nadis has a great story and he relates it exquisitely Jerome Clark Fortean Times Fred Nadis's insightful biography demonstrates that Palmer is significant as well as intriguing The Washington Post One of science fiction's greatest gadflies gets his due in this lively and entertaining biography Publishers Weekly Lucidly written and unfailingly lively The Man from Mars is a biography worthy of its subject Fate magazine
