Are political operatives publishing disinformation to smear the opposition and help their own agendas? Who creates fake news how does it spread and can it be stopped? What are the real world effects of fake news stories that go viral? Did it affect the outcome of the 2016 presidential election? Or is fake news a fake problem designed to justify tighter control over the mechanisms of sharing information online to drive audiences back to brand name media outlets because their audiences and influence are dwindling? Media analyst Mark Dice takes a close look at the fake news phenomenon and the implications of mega corporations like Facebook Google and Twitter becoming the ultimate gatekeepers and distributors of news and information. You will see the powerful and deceptive methods of manipulation that affect us all as numerous organizations and political activists cunningly plot to have their stories seen heard and believed by

as many people as possible The depths of lies distortions and omissions from traditional mainstream media will shock you and now they re colluding with the top tech companies trying to maintain their information monopolies This is The True Story of Fake News
