Private Topographies Space Subjectivity And Political Change In Modern Latin America:

Private Topographies M. Grzegorzczak, 2005 **Private Topographies** M. Grzegorzczak, 2016-01-28 In *Private Topographies* Grzegorzczak identifies and analyzes the types of postcolonial subjectivity prevalent among the Creole Euro American ruling classes in post independence nineteenth century Latin America as articulated through their relation to their surroundings Exactly how did creole elites change their self conception in the wake of independence In what ways and why did they feel compelled to restructure their personal space What contradictions did they respond to Where and how were the boundaries between public and private constructed How were the categories of race and gender relevant to this process For the first time this book links together political transitions the end of the colonial period in Latin America with implacements attempts that people make to reorganize the space around them By looking at cartographies of states and regions the structure of towns and appearance and lay out of homes in literature from Mexico Argentina and Brazil from this nineteenth century period of transition Grzegorzczak sheds new light on the ways a culture remakes itself and the mechanisms through which subjectivities shift during periods of political change

Cartographies of Exile Karen Elizabeth Bishop, 2016-04-20 This book proposes a fundamental relationship between exile and mapping It seeks to understand the cartographic imperative inherent in the exilic condition the exilic impulses fundamental to mapping and the varied forms of description proper to both The vital intimacy of the relationship between exile and mapping compels a new spatial literacy that requires the cultivation of localized dynamic reading practices attuned to the complexities of understanding space as text and texts as spatial artifacts The collection asks what kinds of maps do exiles make How are they conceived drawn read Are they private maps or can they be shaped collectively What is their relationship to memory and history How do maps provide for new ways of imagining the fractured experience of exile and offer up both new strategies for reading displacement and new displaced reading strategies Where does exilic mapping fit into a history of cartography particularly within the twentieth century spatial turn The original work that makes up this interdisciplinary collection presents a varied look at cartographic strategies employed in writing art and film from the pre Contact Americas to the Renaissance to late postmodernism the effects of exile in its many manifestations

on cartographic textual systems ways of seeing and forms of reading the challenges of traversing and mapping unstable landscapes and restrictive social and political networks and the felicities and difficulties of both giving into the map and attempting to escape the map that provides for exile in the first place Cartographies of Exile will be of interest to students and scholars working in literary and cultural studies gender sexuality and race studies anthropology art history and architecture film performance visual studies and the fine arts

New Directions in Flânerie Kelly Comfort, Marylaura Papalas, 2021-11-29 This book distinguishes itself from previous scholarship by offering an inclusive and comprehensive treatment of urban walking from 1800 to the present Divided into three sections geography genius and gender the introduction establishes the origins of the fl neur and fl neuse in early foundational texts and explores later works that reimagine fl nerie in terms of these same three themes The volume s contributors provide new and global perspectives on urban walking practices through their treatment of a variety of genres literature film journalism autobiography epistolary correspondence photography fashion music digital media and regions Europe Asia the Americas Africa the Middle East This volume theorizes well known urban characters like the idler loungeur dandy badaud promeneuse shopper collector and detective and also proposes new iterations of the fl neur fl neuse as fashion model gaucho cruiser musician vampire postcolonial activist video game avatar and gamer

Words for a Small Planet Nanette Norris, 2012-11-21 Ecocriticism has matured beyond nature writing beyond writing about nature The essays in this volume look at the broader cultural historical sociological and psychological implications of ecology in written visual and sound culture In keeping with our sense of a global community these essays are representative of international scholarship on ecology and the environment and display the range of insight of which this criticism is capable Focusing on popular culture this volume is in the vanguard of our collective reflections on the directions in which our various societies are going
