Private Yearnings:

Transnational Yearnings Jenny Burman, 2011-01-01 The global pathways that connect cities and nations are congested with people money and cultural transmissions Transnational Yearnings is about the migrations and uneven exchanges that bind postcolonial Jamaica to the diasporic city It is about the desires intimacies and power relations that at once inform and reflect transnational migration and the diasporization of urban space This innovative and provocative book maps out a new way to look at contemporary contact zones and global interconnections as it traces circuits of migration and leisure travel between the Caribbean and Toronto a city that has become for Jamaican Canadians both a place of promise and cultural vitality and a site of criminalization and exclusion through deportation Transnational Yearnings is an important addition to recent scholarship on Caribbean transnationalism and Canadian Caribbean relations one that paints a fuller portrait of Jamaican immigrants than we often see

Yearnings Armando J. Calonge M., 2019-08-13 This collection of short stories takes you to many exciting places the author has lived in and traveled it exposes you to the struggles and losses of individuals that have escaped from authoritarian regimes such as Cuba and the Soviet Union to find freedom in the United States of America It reaches from betrayal and narcissism and the damage done to others to the charming innocence of a child asking to be told a story and the reminiscing of an old man who tells his Japanese friend how progress distorted his life s memories There are unexpected twists to many of these stories not to forget a subtle sense of humor that both intrigue and touch the heart

Village of Unsettled Yearnings Leonard Neufeldt, Lora Jean Sawatsky, Robert Martens, 2002 Consensus and dissent persistence and rapid change were at the heart of Yarrow s rich cultural life These tensions especially the inevitability of assimilation walked hand in hand with the young pioneer settlers born in Russia and the next generation born in Canada There was no possibility that the new generation would be absorbed into a Russian colony ethos or would move elsewhere in order to perpetuate it Those who grew up in the early years of this community cannot go home again save in memory the memories of a way of life and its webs of relationships and their meanings will probably die with that generation or those just a few years younger Village of Unsettled Yearnings harnesses these memories to the surviving records and gives words to them

American Yearnings Richard L. Rapson, 1988

Yearnings in the Meantime Stef Jansen, 2015-06-01 Shortly after the book s protagonists moved into their apartment complex in Sarajevo they like many others were overcome by the 1992 1995 war and the disintegration of socialist Yugoslavia More than a decade later in post war Bosnia and Herzegovina they felt they were collectively stuck in a time warp where nothing seemed to be as it should be Starting from everyday concerns this book paints a compassionate yet critical portrait of people s sense that they were in limbo trapped in a seemingly endless Meantime Ethnographically investigating yearnings for normal lives in the European semi periphery it proposes fresh analytical tools to explore how the time and place in which we are caught shape our hopes and fears

Yearnings of the Heart Isabella Tanikumi, 2013-02 This is a compelling introspective account of the life of Isabella Tanikumi who takes her

readers on a journey through various phases of her remarkable life from her family's survival during the devastating earthquake of 1970 in Huaraz Peru to the trials of overcoming heartbreaks of her youth. Conquering personal insecurities led to exploring the reaches of her intellect while facing the tragic and untimely death of her beloved sister Laura. Despite language barriers and the consequent obstacles of fitting in, Tanikumi wittily narrates her struggles with her assimilation into American life and culture. Forging many enduring friendships, most notably with Julie who rescued her from the depths of grief, Tanikumi also interweaves a dialogue with her long lost love Eduardo. This novel tacitly and expressly addresses Eduardo as a salient recipient of her reflections. Ultimately, Tanikumi is able to share her gratitude and joy as well as her insatiable thirst for life.
